§ 64.5 Eligible projects.

(a) Abandoned railroad projects will be for recreation and/or conservation purposes including the acquisition of the rights-of-way involved and will be sponsored by a project applicant who has authority to carry out public recreation or conservation programs. Eligible project elements for State and local governmental entities may include:

(1) The acquisition of fee or less than fee interests including long term leases of not less than 25 years and easements which will secure for the project applicant the right to develop use the property for public recreation and/or conservation purposes.

(2) The development of facilities which are necessary for making rights-of-way usable for public recreation and conservation purposes.

(b) Allocations made to Federal agencies will be for the acquisition of lands or interests in lands, including incidental acquisition expenses, located in existing areas where such acquisition is authorized by law and the land is usable for public recreation and conservation purposes.

(c) Abandoned railroad rights-of-way projects proposed by State and local governmental entities and Federal agencies shall be in accordance with the State comprehensive outdoor recreation plan for the State in which the project is located.

§ 64.6 Application procedures.

State and local units of government applying for grants under this program will comply with the regulations, policies, guidelines, and requirements of OMB Circular No. A–95 (Evaluation, Review and Coordination of Federal and Federally Assisted Programs and Projects), Federal Management Circulars 74–4 (Cost Principles Applicable to Grants and Contracts with State and Local Governments) and OMB Circular No. A–102 (Uniform Administrative Requirements for Grants-In-Aid to State and local governments).

(a) Preapplication. A preapplication will be used to initially screen and select those projects for which a final application may be submitted for assistance. The preapplication will include:

(1) A Standard Form 424 (may be obtained from applicable Regional Offices of the Bureau of Outdoor Recreation).

(2) A map showing the location of the property to be acquired and/or developed and its relation to surrounding land uses including other recreation/conservation resources.

(3) A program narrative statement.

(i) Where acquisition is involved the number of acres and real property interest to be acquired. Attach a copy of the abandonment notice.

(ii) The type of recreational/conservation use planned for the project site including the type of development to be included in the project (if a site plan is available it should be submitted).

(iii) A statement indicating separately the estimated acquisition and development costs.

(iv) A time schedule for completing the acquisition and development.

(v) A brief discussion of how the project embodies the selection criteria outlined in § 64.8.

(4) Indicate any known problems that will occur in obtaining clear title to the right-of-way.

(5) Because of the limited funds available applicants are encouraged to provide an alternative plan indicating a viable segment of the overall project which could possibly be funded at a lower amount in lieu of the complete project.

(b) Applications. For those State and local projects selected the applicant shall submit the standard application provided for in Attachment M of OMB Circular A–102. An application package developed for this program will be available from the Bureau of Outdoor Recreation Regional Offices. The following application requirements will apply (information submitted with the
