### § 72.71 Information collection.

The information collection requirements contained in § 72.72 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.* and assigned clearance number 1024–0048. The information will be used to assure that the requirements of section 1010 of the UPARR Act would be met should the proposed conversion be implemented. Response is required in order to obtain the benefit of Department of the Interior approval.

Nevertheless, all recipients of funds for renovation and rehabilitation projects are obligated by the terms of the grant agreement to continually maintain the site or facility for public recreation use regardless of the percent of UPARR funds expended relative to the project and the facility as a whole. This provision is contained in the UPARR Program Administration Guideline (NPS-37) and is also referenced in § 72.36. In accordance with section 1010 of the UPARR Act, no property improved or developed with UPARR assistance shall, without the approval of NPS, be converted to other than public recreation uses. A conversion will only be approved if it is found to be in accord with the current local park and recreation Recovery Action Program and/or equivalent recreation plans and only upon such conditions as
