§ 1010.15

project and shall provide the project applicant with any policies or information deemed appropriate in order to permit effective and timely review by the Trust of a proposal once it is submitted to the decision-maker for approval.

§ 1010.15 Actions where lead agency designation is necessary.

(a) Consistent with 40 CFR 1501.5, where a proposed action by the Trust involves one or more other Federal agencies, or where actions by the Trust and one or more Federal agencies are directly related to each other because of their functional interdependence or geographical proximity, the Trust will seek designation as lead agency for those actions that relate solely to the Presidio Trust Area.

(b) For an action that qualifies as one for which the Trust will seek designation as lead agency, the Trust will promptly consult with the appropriate Federal agencies to establish lead agency, joint lead agency, and/or cooperating agency designations.

(c) For an action as to which the Trust undertakes lead, joint lead, or cooperating agency status, the Trust is authorized to enter into a memorandum of understanding or agreement to define the rights and responsibilities of the relevant agencies.

§ 1010.16 Actions to encourage agency cooperation early in the NEPA process.

Consistent with 40 CFR 1501.6, the Trust may request the NPS to be a cooperating agency for actions or projects significantly affecting the quality of the Presidio. In addition, upon request of the Trust, any other Federal, State, local, or tribal agency that has jurisdiction by law or special expertise with respect to any environmental issue that should be addressed in the analysis may be a cooperating agency. The Trust shall use the environmental analysis and proposals of cooperating agencies with jurisdiction by law or special expertise to the maximum extent possible consistent with its responsibility as lead or joint lead agency.

36 CFR Ch. X (7–1–14 Edition)

§ 1010.17 Actions to eliminate duplication with State and local procedures.

Consistent with 40 CFR 1506.2, the Trust shall cooperate with State and local agencies to the fullest extent possible to reduce duplication between NEPA and State and local requirements. Such cooperation shall to the fullest extent possible include:

(a) Joint planning processes;
(b) Joint environmental research and studies;
(c) Joint public hearings (except where otherwise provided by statute); and
(d) Joint environmental assessments and/or Environmental Impact Statements/Environmental Impact Reports.
