(ii) Requesters eligible for free search must reasonably describe the records sought.

(3) Requesters Who Are Representatives of the News Media—The ATBCB shall provide documents to requesters in this category for the cost of reproduction alone, in accordance with the fee schedule set forth below, excluding charges for the first 100 pages of reproduced documents.

(4) All Other Requestors—The ATBCB shall charge requestors who do not fit into any of the categories described above, fees which recover the full direct cost of searching for and reproducing records that are responsive to the request, except that the first two hours of search time and the first 100 pages of reproduction shall be furnished without charge.

(b) Information in the Board’s computerized records which could be produced only by additional programming of the computer, thus producing information not previously in being, is not required to be furnished under the Freedom of Information Act. § 1120.53 Payment of fees.

(a) Method of payment. All fee payments shall be in the form of a check or money order payable to the order of the “U.S. Architectural and Transportation Barriers Compliance Board” and shall be sent (accompanied by a reference to the pertinent Request Identification Number(s)) to the address in § 1120.23.

(b) Charging interest. The ATBCB may charge interest to those requestors failing to pay fees assessed in accordance with the procedures described in § 1120.51. Interest charges, computed at the rate prescribed in section 3717 of title 31 U.S.C.A., will be assessed on the full amount billed starting on the 31st day following the day on which the bill was sent.

(c) Advance payment or assurance of payment. (1) When an ATBCB office determines or estimates that the allowable charges a requestor may be required to pay are likely to exceed $250.00, the ATBCB may require the requestor to make an advance payment or arrangements to pay the entire fee before continuing to process the request. The ATBCB shall promptly inform the requestor (by telephone, if practicable) of the need to make an advance payment or arrangements to pay the fee. That office need not search for, review, duplicate, or disclose records in response to any request by that requestor until he or she pays, or makes acceptable arrangements to pay, the total amount of fees due (or estimated to become due) under this subpart.

(2) Where a requestor has previously failed to pay a fee charged in a timely fashion, the ATBCB may require the requestor to pay the full amount owed, plus any applicable interest, as provided in paragraph (b) of this section, and to make an advance payment of the full amount of the estimated fee before any new or pending requests will be processed from that requestor.

(3) In those instances described in paragraphs (c)(1) and (2) of this section, the administrative time limits prescribed in §1120.33(d) will begin only after the ATBCB has received all fee payments due or acceptable arrangements have been made to pay all fee payments due.

(D) Effect of the Debt Collection Act of 1982 (Pub. L. 97–365). Requestors are advised that the ATBCB shall use the authorities of the Debt Collection Act of 1982, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage repayment of debts arising from freedom of information act requests.

(e) Waiver or reduction of fees. (1) Records responsive to a request under 5 U.S.C. 552 shall be furnished without charge or at a charge reduced below that established under paragraph (d) of § 1120.51 where the Freedom of Information Officer determines, based upon information provided by a requestor in support of a fee waiver request or otherwise made known to the Freedom of Information Officer, that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requestor. Requests for a waiver or reduction of fees shall be considered on a case-by-case basis.

(2) In order to determine whether the first fee waiver requirement is met—i.e., that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government—Freedom of Information Officer
