§ 1210.50
(d) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this Part, as applicable.

REPORTS AND RECORDS
§ 1210.50 Purpose of reports and records.
Sections 1210.51 through 1210.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 1210.51 Monitoring and reporting program performance.
(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in §1210.26.
(b) Except as provided in paragraph (f) of this section, interim performance reports shall be submitted every six months and shall be due 30 days after the reporting period; final reports shall be due 90 calendar days after the end of the grant period.
(c) If inappropriate, a final performance report shall not be required after completion of the project.
(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.
   (1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.
   (2) Reasons why established goals were not met, if appropriate.
   (3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
   (e) Recipients shall not be required to submit more than the original and two copies of performance reports.

§ 1210.52 Financial reporting.
(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.
   (1) SF–269 or SF–269A, Financial Status Report.
   (i) The NHPRC requires recipients to use the SF–269 or SF–269A to report the status of funds for all nonconstruction projects or programs. The NHPRC may, however, have the option of not requiring the SF–269 or SF–269A when the SF–270, Request for Advance or Reimbursement, or SF–272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF–269 or SF–269A shall be required at the completion of the project when the SF–270 is used only for advances.
   (ii) The report may be on a cash or accrual basis.
   (iii) The NHPRC shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.
   (iv) The NHPRC shall require recipients to submit the SF–269 or SF–269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final.
