Subpart B—Research Room Rules

§ 1254.20 What general policies apply in all NARA facilities where archival materials are available for research?

(a) Researchers may use original documents only in the designated research room at the facility where they are stored.

(b) Researchers must use microfilm copies or other alternative copies of documents when available, rather than the original documents. Some of our microfilm publications are available in more than one NARA facility.

(c) We may limit the quantity of documents that we deliver to you at one time. In some research rooms, we furnish records according to a specific time schedule.

§ 1254.22 Do I need to register when I visit a NARA facility for research?

(a) Yes, you must register each day you enter a NARA research facility by furnishing the information on the registration sheet or scanning an encoded researcher identification card. We may ask you for additional personal identification.

(b) NARA facilities in the Washington, DC, area contain several research rooms; you must register in each research room you visit on a daily basis.

(c) In regional archives, you also sign out when leaving the research room for the day. In some Presidential libraries, where we instruct you to do so, you sign out when you leave the building.

§ 1254.24 Whom does NARA allow in research rooms?

(a) We limit admission to research rooms in our facilities to individuals examining or copying documents and other materials.

(b) We do not admit children under the age of 14 to these research rooms unless we grant them research privileges (see paragraph (d) of this section).

(c) The appropriate supervisor may make exceptions for a child who is able to read and who will be closely supervised by an adult while in the research room. The adult must agree in writing to be present when the child uses documents and to be responsible for compliance with the research room and copying rules in subparts B and C of this part.

(d) Students under the age of 14 who wish to perform research on original documents must apply in person at the facility where the documents are located. At the National Archives Building, apply to the chief of the Research Support Branch (NWCC1). At the National Archives at College Park, apply to the chief of the Research Support Branch (NWCC2). For regional archives and Presidential libraries, apply to the appropriate supervisor or archivist in charge. We may require either that the student must present a letter of reference from a teacher or that an adult accompany the student while doing research. Students may contact NARA by phone, e-mail, fax, or letter in advance of their visit to discuss their eligibility for research privileges. Current contact information for our facilities is available on our Web site, http://www.archives.gov.

(e) We may permit adults and children participating in scheduled tours or workshops in our research rooms when they do not handle any documents that we show to them. These visitors do not need a researcher identification card.

§ 1254.26 What can I take into a research room with me?

(a) Personal belongings. You may take a hand-held wallet and coin purse for the carrying of currency, coins, credit cards, keys, driver’s license, and other identification cards into research rooms, but these are subject to inspection when you enter or leave the room. The guard or research room attendant determines whether your wallet or purse is sufficiently small for purposes of this section. You may take cell
