38 CFR Ch. I (7–1–14 Edition)

§ 11.116 Death of veteran before final settlement.

If the veteran dies after making application under the Adjusted Compensation Payment Act, 1936, but before it is filed, it may be filed by any person and will be considered valid if found to bear the bona-fide signature of the applicant, discloses an intention to claim benefits under the Act, and is filed before the maturity of the certificate and before payment is made to the beneficiary. An application made by the veteran or his legal representative shall evidence his intention to claim the benefits of this Act; no other evidence shall be acceptable.

(a) If the veteran's death occurs after the application is filed but before payment is received under this Act, or if the application is filed after death occurs but before the maturity of the certificate and before payment is made to the beneficiary under section 501 of the World War Adjusted Compensation Act, as amended, payment under this act shall be made to the estate of the veteran irrespective of any beneficiary designation.

(b) If the veteran dies without filing a valid application under this Act, no payment under this Act shall be made. In such case, payment of the certificate will be made under the World War Adjusted Compensation Act, as amended, in accordance with §11.128; however, in making any settlement there shall be deducted from the face value of the certificate the amount of any outstanding loans and so much of the unpaid interest as accrued prior to October 1, 1931.

§ 11.117 Missing applications.

Where the records of the Department of Veterans Affairs show that an application, disclosing an intention to claim the benefits of this Act, has been filed and the application cannot be found, such application shall be presumed, in
§ 11.125 Settlement of matured adjusted service certificates.

Where an application for final settlement of an adjusted service certificate is received in the Department of Veterans Affairs subsequent to the date of maturity of the certificate, payment will be made under the terms of the World War Adjusted Compensation Act, as amended. This Act provides for payment of the face value of the certificate less any outstanding indebtedness for loans obtained on the certificate; however, interest accrued on the loans subsequent to September 30, 1931, and unpaid will be canceled insofar as the veteran is concerned.

§ 11.126 Form of application.

Either demand for payment (Form 1748) of application (Form 1701) may be used by the veteran or his legal representative in applying for final settlement of a matured certificate.

§ 11.127 Identification.

Before payment may be made on the adjusted service certificate, the person applying therefor will be identified as the person entitled to payment for which application is made. Such identification will be accepted if made by an authorized person as stated in §11.114; also, fingerprint impressions shall be placed in the space provided on the application in accordance with §11.114(a).

§ 11.128 Veteran dies without having filed application for final settlement.

If the veteran dies without having filed application for final settlement under the Adjusted Compensation Payment Act, 1936, and the certificate has not matured, payment will be made to the last designated beneficiary or, if no beneficiary, to his estate. If the certificate has matured, payment will be made to the veteran’s estate regardless of any beneficiary designation. Payment of the amount due on a deceased veteran’s certificate will be made only on an approved award based upon receipt in the Department of Veterans Affairs of an application properly executed by the person or persons entitled.

§ 11.129 Form of application for payment of deceased veteran’s certificate.

Demand for payment (VA Form 8–582) is the proper form for use in applying for payment of the amount due on a deceased veteran’s certificate.

§ 11.130 Where to file applications.

Application for payment of a matured certificate or a deceased veteran’s certificate, accompanied by the adjusted service certificate, unless it is held in the Department of Veterans Affairs as collateral for a loan, must be forwarded to the Manager, Veterans Benefits Office, Washington, DC, 20421.
