§ 17.196 Aid for hospital care.

Aid may be paid to the designated State official for hospital care furnished in a recognized State home for any veteran if:

(a) The veteran is eligible for hospital care in a Department of Veterans Affairs facility, and

(b) The quarters in which the hospital care is carried out are in an area clearly designated for such care, specifically established, staffed and equipped to provide hospital type care, are not intermingled with the quarters of nursing home care patients or domiciliary members, and meet such other minimum standards as the Department of Veterans Affairs may prescribe.

§ 17.197 Amount of aid payable.

The amount of aid payable to a recognized State home shall be at the per diem rates established by title 38 U.S.C., section 1741(a)(1) for domiciliary care; and section 1741(a)(3) for hospital care. In no case shall the payments made with respect to any veteran exceed one-half of the cost of the veteran’s care in the State home. VA will publish the actual per diem rates, whenever they change, in a FEDERAL REGISTER notice.

§ 17.198 Department of Veterans Affairs approval of eligibility required.

Federal aid will be paid only for the care of veterans whose separate eligibility for hospital or domiciliary care has been approved by the Department of Veterans Affairs. To obtain such approval, State homes will complete a Department of Veterans Affairs application form for each veteran for the type of care to be provided and submit it to the Department of Veterans Affairs office of jurisdiction for determination of eligibility. Payments shall be made only from the date the Department of Veterans Affairs office of jurisdiction receives such application; however, if such request is received by the Department of Veterans Affairs office of jurisdiction within 10 days after the beginning of the care of such veteran for which he or she is determined to be eligible, payment shall be made on account of such veteran from the date care began.

Representatives of the Department of Veterans Affairs may inspect any State home at such times as are deemed necessary. Such inspections shall be concerned with the physical plant; records relating to admissions, discharges and occupancy; fiscal records; and all other areas of interest necessary to a determination of compliance with applicable laws and regulations relating to the payment of Federal aid. The authority to inspect carries with it no authority over the management or control of any State home.

§ 17.200 Audit of State homes.

The State must comply with the Single Audit Act of 1984 (part 41 of this chapter).
