§ 17.43 Persons entitled to hospital or domiciliary care.

Hospital or domiciliary care may be provided:

(a) Not subject to the eligibility provisions of 38 U.S.C. 1710, 1722, and 1729, and 38 CFR 17.44 and 17.45, for:

(1) Persons in the Armed Forces when duly referred with authorization therefore, may be furnished hospital care. Emergency treatment may be rendered, without obtaining formal authorization, to such persons upon their own application, when absent from their commands. Identification of active duty members of the uniformed services will be made by military identification card.

(2) Hospital care may be provided, upon authorization, for beneficiaries of the Public Health Service, Office of Workers’ Compensation Programs, and other Federal agencies.

(3) Pensioners of nations allied with the United States in World War I and World War II may be supplied hospital care when duly authorized.

(b) Emergency hospital care may be provided for:

(1) Persons having no eligibility, as a humanitarian service.

(2) Persons admitted because of presumed discharge or retirement from the Armed Forces, but subsequently found to be ineligible as such.

(3) Employees (not potentially eligible as ex-members of the Armed Forces) and members of their families, when residing on reservations of field facilities of the Department of Veterans Affairs, and when they cannot feasibly obtain emergency treatment from private facilities.

(c) Hospital care when incidental to, and to the extent necessary for, the use of a specialized Department of Veterans Affairs medical resource pursuant to a sharing agreement entered into under §17.210, may be authorized for any person designated by the other party to the agreement as a patient to be benefited under the agreement.

(d) The authorization of services under any provision of this section, except services for eligible veterans, is subject to charges as required by §17.101.
§ 17.45 Hospital care for research purposes.

Subject to the provisions of §17.62(g), any person who is a bona fide volunteer may be admitted to a Department of Veterans Affairs hospital when the treatment to be rendered is part of an approved Department of Veterans Affairs research project and there are insufficient veteran-patients suitable for the project.

§ 17.46 Eligibility for hospital, domiciliary or nursing home care of persons discharged or released from active military, naval, or air service.

(a) In furnishing hospital care under 38 U.S.C. 1710(a)(1), VA officials shall:

(1) If the veteran is in immediate need of hospitalization, furnish care at VA facility where the veteran applies or, if that facility is incapable of furnishing care, arrange to admit the veteran to the nearest VA medical center, or Department of Defense hospital with which VA has a sharing agreement under 38 U.S.C. 8111, which is capable of providing the needed care, or if VA or DOD facilities are not available, arrange for care on a contract basis if authorized by 38 U.S.C. 1703 and 38 CFR 17.52; or

(2) If the veteran needs non-immediate hospitalization, schedule the veteran for admission at VA facility where the veteran applies, if the schedule permits, or refer the veteran for admission or scheduling for admission at the nearest VA medical center, or Department of Defense facility with which VA has a sharing agreement under 38 U.S.C. 8111.

(b) Domiciliary care may be furnished when needed to:

(1) Any veteran whose annual income does not exceed the maximum annual rate of pension payable to a veteran in need of regular aid and attendance, or

(2) Any veteran who the Secretary determines had no adequate means of support. An additional requirement for eligibility for domiciliary care is the ability of the veteran to perform the following:

(i) Perform without assistance daily ablutions, such as brushing teeth; bathing; combing hair; body eliminations.

(ii) Dress self, with a minimum of assistance.

(iii) Proceed to and return from the dining hall without aid.

(iv) Feed self.

(v) Secure medical attention on an ambulatory basis or by use of personally propelled wheelchair.

(vi) Have voluntary control over body eliminations or control by use of an appropriate prosthesis.

(vii) Share in some measure, however slight, in the maintenance and operation of the facility.

(viii) Make rational and competent decisions as to his or her desire to remain or leave the facility.
