OUTPATIENT TREATMENT

§ 17.92 Outpatient care for research purposes.

Subject to the provisions of §17.101, any person who is a bona fide volunteer may be furnished outpatient treatment when the treatment to be rendered is part of an approved Department of Veterans Affairs research project and there are insufficient veteran-patients suitable for the project.

§ 17.93 Eligibility for outpatient services.

(a) VA shall furnish on an ambulatory or outpatient basis medical services as are needed, to the following applicants under the conditions stated, except that applications for dental treatment must also meet the provisions of §17.161.

(Authority: 38 U.S.C. 1712)

(1) For compensation and pension examinations. A compensation and pension examination shall be performed for any veteran who is directed to have such an examination by VA.

(Authority: 38 U.S.C. 111 and 501)

(2) For adjunct treatment. Subject to the provisions of §§17.36 through 17.38, medical services on an ambulatory or outpatient basis shall be provided to veterans for an adjunct nonservice-connected condition associated with and held to be aggravating a disability from a disease or injury adjudicated as being service-connected.

(b) The term “shall furnish” in this section and 38 U.S.C. 1712 (a)(1) and (a)(2) means that, if the veteran is in immediate need of outpatient medical services, VA shall furnish care at the VA facility where the veteran applies. If the needed medical services are not available there, VA shall arrange for care at the nearest VA medical facility or Department of Defense facility (with which VA has a sharing agreement) that can provide the needed care. If VA and Department of Defense facilities are not available, VA shall arrange for care on a fee basis, but only if the veteran is eligible to receive medical services in non-VA facilities under §17.52.

If the veteran is not in immediate need of outpatient medical services, VA shall schedule the veteran for care where the veteran applied, if the schedule there permits, or refer the veteran for scheduling to the nearest VA medical center or Department of Defense facility (with which VA has a sharing agreement).

(c) VA may furnish on an ambulatory or outpatient basis medical services as needed to the following applicants, except that applications for dental treatment must also meet the provisions of §17.122.

(1) For veterans participating in a rehabilitation program under 38 U.S.C. chapter 31. Medical services on an ambulatory or outpatient basis may be provided as determined medically necessary for a veteran participating in a rehabilitation program under 38 U.S.C. chapter 31 as defined in §17.47(j).

(2) [Reserved]

(Authority: 38 U.S.C. 1717)

§ 17.94 Outpatient medical services for military retirees and other beneficiaries.

Outpatient medical services for military retirees and other beneficiaries for which charges shall be made as required by §17.101, may be authorized for persons properly referred by authorized officials of other Federal agencies for which the Secretary of Veterans Affairs may agree to render such service under the conditions stipulated by the Secretary and pensioners of nations allied with the United
§ 17.98 Mental health services.

(a) Following the death of a veteran, bereavement counseling involving services defined in 38 U.S.C. 1701(6)(B), may be furnished to persons who were receiving mental health services in connection with treatment of the veteran under 38 U.S.C. 1710, 1712, 1712A, 1713, or 1717, or 38 CFR 17.84 of this part, prior to the veteran’s death, but may only be furnished in instances where the veteran’s death had been unexpected or occurred while the veteran was participating in a VA hospice or similar program. Bereavement counseling may be provided only to assist individuals with the emotional and psychological stress accompanying the veteran’s death, and only for a limited period of time, as determined by the Medical Center Director, but not to exceed 60 days. The Medical Center Director may approve a longer period of time when medically indicated.

(b) For purposes of paragraph (a) of this section, an unexpected death is one which occurs when in the course of an illness the provider of care did not or could not have anticipated the timing of the death. Ordinarily, the provider of care can anticipate the patient’s death and can inform the patient and family of the immediacy and

§ 17.97 Prescriptions in Alaska, and territories and possessions.

In Alaska and territories and possessions, where there are no Department of Veterans Affairs pharmacies, the expenses of any prescriptions filled by a private pharmacist which otherwise could have been filled by a Department of Veterans Affairs pharmacy under 38 U.S.C. 1712(h), may be reimbursed.
