§ 21.4259 Suspension or disapproval.

(a) The appropriate State approving agency, after approving any course or licensing or certification test:

(1) May suspend the approval of a course for new enrollments, or approval of a licensing or certification test, for a period not to exceed 60 days to allow the institution to correct any deficiencies, if the evidence of record establishes that the course or licensing or certification test fails to meet any of the requirements for approval.

(2) Will immediately disapprove the course or licensing or certification test, if any of the requirements for approval are not being met and the deficiency cannot be corrected within a period of 60 days.

(3) Upon suspension or disapproval, the State approving agency will notify the educational institution by certified or registered letter with a return receipt secured (38 U.S.C. 3679). It is incumbent upon the State approving agency to determine the conduct of courses and to take immediate appropriate action in each case in which it is found that the conduct of a course in any manner fails to comply with the requirements for approval.

(b) Each State approving agency will immediately notify VA of each course, or licensing or certification test, that it has suspended or disapproved.

(c) The Department of Veterans Affairs will suspend approval for or disapprove courses or licensing or certification tests under conditions specified in paragraph (a) of this section where it functions for the State approving agency. See § 21.4150(c).

(d) The Department of Veterans Affairs will immediately notify the State approving agency in each case of Department of Veterans Affairs suspension or disapproval of any school under 38 U.S.C. chapter 31.

§ 21.4260 Courses in foreign countries.

(a) Approval of postsecondary courses in foreign countries. (1) In order to be approved a postsecondary course offered in a foreign country must meet all the provisions of this paragraph. A course offered by a foreign medical school (other than one located in Canada) must also meet all of the provisions of paragraph (b) of this section.

(i) The educational institution offering the course is an institution of higher learning, and

(ii) The course leads to a standard college degree or its equivalent.

(2) For the purpose of this paragraph, a degree is the equivalent of a standard college degree when the program leading to the degree has the same entrance requirements as one leading to a degree granted by a public degree-granting institution of higher learning in that country.

(b) Approval of courses offered by a foreign medical school. In addition to meeting all the criteria stated in paragraph (a) of this section, a course offered by a foreign medical school (other than one located in Canada) must also meet all of the following criteria:

(i) The school satisfies the criteria for listing as a medical school in the World Directory of Medical Schools published by the World Health Organization (WHO).

(ii) The evaluating bodies (such as medical associations or educational agencies) whose views are considered relevant by the Director, Education Service, and which are located in the same country as the school—

(1) Recognize the school as a medical school, and

(2) Approve the school.
§ 21.4261 Apprentice courses.

(a) General. An apprentice course is any training on-the-job course which has been established as an apprentice course by a training establishment as defined in §21.4200(c) and which has been approved as an apprentice course by the State approving agency.

(b) Application. Any training establishment desiring to furnish a course of apprentice training will submit a written application to the appropriate State approving agency setting forth the following:

(1) Title and description of the specific job objective for which the veteran or eligible person is to be trained;

(2) The length of the training period;

(3) A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or work, tasks to be performed, and the approximate length of time to be spent on each operation or task;

(4) The number of hours of supplemental related instruction required; and

(5) Any additional information required by the State approving agency.

(c) Approval criteria. The appropriate State approving agency may approve a course of apprentice training when the training establishment and its apprentice courses are found upon investigation to have met the following criteria:

(1) The standards of apprenticeship published by the Secretary of Labor pursuant to 29 U.S.C. 50a;

(2) A signed copy of the training agreement for each veteran or eligible person's, veteran's, or reservist's program of education meets the requirements of either §21.3021(b), §21.3230, §21.7020(b)(23), or §21.7520(b)(17), as appropriate; and

(3) The course meets the requirements of this section and all other applicable VA regulations.

(2) VA may deny or discontinue the payment of educational assistance allowance to a veteran, serviceperson, eligible person or reservist pursuing a course in an institution of higher learning not located in a State when VA finds that the veteran's, serviceperson's, eligible person's, or reservist's enrollment is not in his or her best interest or the best interest of the Federal Government.
