§ 77.17 Recovery of funds by VA.

(a) Recovery of funds. VA may recover from the grantee any funds that are not used in accordance with a grant agreement. If VA decides to recover funds, VA will issue to the grantee a notice of intent to recover grant funds, and grantee will then have 30 days to submit documentation demonstrating why the grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the grant funds.

(b) Prohibition of additional adaptive sports grant payments. When VA makes a final decision that action will be taken to recover grant funds from the grantee, VA must stop further payments of grant funds under this part until the grant funds are recovered and the condition that led to the decision to recover grant funds has been resolved.

§ 77.18 Visits to monitor operations and compliance.

VA has the right, at all reasonable times, to make visits to all grantee locations where a grantee is using adaptive sports grant funds in order to review grantee accomplishments and management control systems and to provide such technical assistance as may be required. VA may conduct inspections of all program locations and records of a grantee at such times as are deemed necessary to determine compliance with the provisions of this part. In the event that a grantee delivers services at a location away from the grantee’s place of business, VA may accompany the grantee. If any visit is made by VA on the premises of the grantee or a subcontractor under the adaptive sports grant, the grantee must provide, and must require its subcontractors to provide, all reasonable facilities and assistance for the safety and convenience of the VA representatives in the performance of their duties. All visits and evaluations will be performed in such manner as will not unduly delay services.
