Environmental Protection Agency

§ 72.82

The following procedures shall apply to all fast-track modifications.

(a) If the Administrator is the permitting authority, the designated representative shall serve a copy of the fast-track modification on the Administrator and any person entitled to a written notice under § 72.65(b)(1)(ii) and (iii). If a State is the permitting authority, the designated representative shall serve such a copy on the Administrator, the permitting authority, and any person entitled to receive a written notice under §72.65(b)(1)(ii) and (iii). If a State is the permitting authority, the designated representative shall also give public notice by publication in a newspaper of general circulation in the area where the sources are located or in a State publication designed to give general public notice.

(b) The public shall have a period of 30 days, commencing on the date of publication of the notice, to comment on the fast-track modification. Comments shall be submitted in writing to the permitting authority and to the designated representative.

(c) The designated representative shall submit the fast-track modification to the permitting authority on or before commencement of the public comment period.

(d) Within 30 days of the close of the public comment period, if the Administrator is the permitting authority, or within 90 days of the close of the public comment period, if a State is the permitting authority, the Administrator or the State shall consider the comments on the fast-track modification and either approve, approve with conditions, or disapprove the modification. The Administrator or the State shall then either approve or disapprove the modification and serve a copy of the decision on the designated representative and any person entitled to receive a written notice of the draft permit under §72.65(c)(1)(ii) and (iii).
