§ 279.65 Tracking.

(a) Acceptance. Used oil burners must keep a record of each used oil shipment accepted for burning. These records may take the form of a log, invoice, manifest, bill of lading, or other shipping documents. Records for each shipment must include the following information:

1. The name and address of the generator or processor/re-refiner from whom the used oil was sent to the burner;
2. The EPA identification number of the transporter who delivered the used oil to the burner;
3. The EPA identification number (if applicable) of the generator or processor/re-refiner from whom the used oil was sent to the burner;
4. The quantity of used oil accepted; and
5. The date of acceptance.

(b) Record retention. The records described in paragraph (a) of this section must be maintained for at least three years.

§ 279.66 Notices.

(a) Certification. Before a burner accepts the first shipment of off-specification used oil fuel from a generator, transporter, or processor/re-refiner, the burner must provide to the generator, transporter, or processor/re-refiner a one-time written and signed notice certifying that:

1. The burner has notified EPA stating the location and general description of his used oil management activities; and
2. The burner will burn the used oil only in an industrial furnace or boiler identified in §279.61(a).

(b) Certification retention. The certification described in paragraph (a) of this section must be maintained for three years from the date the burner last receives shipment of off-specification used oil from that generator, transporter, or processor/re-refiner.

§ 279.67 Management of residues.

Burners who generate residues from the storage or burning of used oil must manage the residues as specified in §279.10(e).

Subpart H—Standards for Used Oil Fuel Marketers

§ 279.70 Applicability.

(a) Any person who conducts either of the following activities is subject to the requirements of this subpart:

1. Directs a shipment of off-specification used oil from their facility to a used oil burner; or
