§ 1515.14  

and determined to be exempt from disclosure. In general, CEQ shall apply the following fee schedule, subject to §§1515.13 through 1515.15: 

(a) Manual searches. Time devoted to manual searches shall be charged on the basis of the salary of the employee(s) conducting the search (basic hourly rate(s) of pay for the employee(s), plus 16 percent).

(b) Electronic searches. Fees shall reflect the direct cost of conducting the search. This will include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for and printing records responsive to the FOIA request and operator/programmer salary attributable to the search.

(c) Record reviews. Time devoted to reviewing records shall be charged on the same basis as under paragraph (a) of this section, but shall only be applicable to the review of records located in response to commercial use requests.

(d) Duplication. Fees for copying paper records or for printing electronic records shall be assessed at a rate of $0.15 per page. For other types of copies such as disks or audio visual tapes, CEQ shall charge the direct cost of producing the document(s). If total costs are expected to exceed $25, the FOIA Officer shall provide the requester with an estimate in writing and, in return, obtain from the requester a commitment to pay the estimated fee. This does not apply if the requester has indicated in advance a willingness to pay fees as high as those anticipated. If a requester wishes to limit costs, the FOIA Officer shall provide the requester an opportunity to reformulate the request in order to reduce costs. If the requester reformulates a request, it shall be considered a new request and the 20-day period described in §1515.6(a) shall be deemed to begin when the FOIA Officer receives the request.

(e)(1) Advance payments required. The FOIA Officer may require a requester to make an advance deposit of up to the amount of the entire anticipated fee before the FOIA Officer begins to process the request if:

(i) The FOIA Officer estimates that the fee will exceed $250; or

(ii) The requester has previously failed to pay a fee in a timely fashion.

(2) When the FOIA Officer requires a requester to make an advance payment, the 20-day period described in §1515.6(a) shall begin when the FOIA Officer receives the payment.

(i) No assessment of fee. CEQ shall not charge a fee to any requester if:

(1) The cost of collecting the fee would be equal to or greater than the fee itself; or

(2) After the effective date of these regulations CEQ fails to comply with a time limit under the Freedom of Information Act for responding to the request for records where no unusual or exceptional circumstances apply.

§ 1515.13 Fees for categories of requesters.

CEQ shall assess fees for certain categories of requesters as follows:

(a) Commercial use requesters. In responding to commercial use requests, CEQ shall assess fees that recover the full direct costs of searching for, reviewing, and duplicating records.

(b) Educational and non-commercial scientific institutions. CEQ shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To qualify for inclusion in this fee category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scholarly research, not an individual goal.

(c) Representatives of the news media. CEQ shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

(d) All other requesters. CEQ shall charge requesters who do not fall within paragraphs (a) through (c) of this section fees that recover the full direct cost of searching for and duplicating records, excluding charges for the first 100 pages of reproduction and the first two hours of search time.

§ 1515.14 Other charges.

CEQ may apply other charges, including the following:
§ 1515.15 Special charges. CEQ shall recover the full cost of providing special services, such as sending records by express mail, to the extent that CEQ elects to provide them in that manner.

(b) Interest charges. CEQ may begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the FOIA Officer sent the billing. Interest shall be charged at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of billing.

(c) Aggregating requests. When the FOIA Officer reasonably believes that a requester or a group of requesters acting in concert is attempting to divide a request into a series of requests for the purpose of avoiding fees, the FOIA Officer shall aggregate those requests and charge accordingly.

§ 1515.15 Payment and waiver.

(a) Remittances. Payment shall be made in the form of check or money order made payable to the Treasury of the United States. At the time the FOIA Officer notifies a requester of the applicable fees, the Officer shall inform the requester of where to send the payment.

(b) Waiver of fees. CEQ may waive all or part of any fee provided for in §§1515.12 and 1515.13 when the FOIA Officer deems that disclosure of the information is in the general public’s interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. In determining whether a fee should be waived, the FOIA Officer may consider whether:

1. The subject matter specifically concerns identifiable operations or activities of the government;
2. The information is already in the public domain;
3. Disclosure of the information would contribute to the understanding of the public-at-large as opposed to a narrow segment of the population;
4. Disclosure of the information would significantly enhance the public’s understanding of the subject matter;
5. Disclosure of the information would further a commercial interest of the requester; and
6. The public’s interest is greater than any commercial interest of the requester.

§ 1515.16 Other rights and services.

Nothing in this subpart will be construed to entitle any person, as of right, to any service or to the disclosure of any record to which such person is not entitled under the FOIA.
