§ 60–300.5  

41 CFR Ch. 60 (7–1–14 Edition)

are within the United States, regarding employment opportunities abroad (such as recruiting and hiring within the United States for employment abroad, or transfer of persons employed in the United States to contractor establishments abroad).

(4) Contracts with State or local governments. The requirements of the equal opportunity clause in any contract or subcontract with a State or local government (or any agency, instrumentality or subdivision thereof) shall not be applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract or subcontract.

(b) Waivers—(1) Specific contracts and classes of contracts. The Director may waive the application to any contract of the equal opportunity clause in whole or part when he or she deems that special circumstances in the national interest so require. The Director may also grant such waivers to groups or categories of contracts: Where it is in the national interest; where it is found impracticable to act upon each request individually; and where such waiver will substantially contribute to convenience in administration of the Act. When a waiver has been granted for any class of contracts, the Director may withdraw the waiver for a specific contract or group of contracts to be awarded, when in his or her judgment such action is necessary or appropriate to achieve the purposes of the Act. The withdrawal shall not apply to contracts awarded prior to the withdrawal, except that in procurements entered into by formal advertising, or the various forms of restricted formal advertising, such withdrawal shall not apply unless the withdrawal is made more than 10 calendar days before the date set for the opening of the bids.

(2) National security. Any requirement set forth in the regulations of this part shall not apply to any contract whenever the head of the contracting agency determines that such contract is essential to the national security and that its award without complying with such requirements is necessary to the national security. Upon making such a determination, the head of the contracting agency will notify the Director in writing within 30 days.

(3) Facilities not connected with contracts. The Director may waive the requirements of the equal opportunity clause with respect to any of a contractor’s facilities which he or she finds to be in all respects separate and distinct from activities of the contractor related to the performance of the contract, provided that he or she also finds that such a waiver will not interfere with or impede the effectuation of the Act. Such waivers shall be considered only upon the request of the contractor.

§ 60–300.5 Equal opportunity clause.

(a) Government contracts. Each contracting agency and each contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

**EQUAL OPPORTUNITY FOR VEVRAA PROTECTED VETERANS**

1. The contractor will not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as “protected veteran(s)”) in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
   i. Recruitment, advertising, and job application procedures.
   ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
   iii. Rates of pay or any other form of compensation and changes in compensation.
   iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.

3The definitions set forth in 41 CFR 60–300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
v. Leaves of absence, sick leave, or any other leave.
vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.

vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.

viii. Activities sponsored by the contractor including social or recreational programs.
ix. Any other term, condition, or privilege of employment.

2. The contractor agrees to immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system where the opening occurs. Contractors must provide priority referral of veterans protected by VEVRAA for such job openings. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor’s listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.

3. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.

4. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) It desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The “contractor official” may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor’s first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change after the effective date of this final rule, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.

5. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.

6. As used in this clause: i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor’s organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days’ duration, and part-time employment.
§ 60–300.5 41 CFR Ch. 60 (7–1–14 Edition)

11. Executive and senior management means:
(1) Any employee (a) compensated on a salary basis at a rate of not less than $455 per week (or $380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.

12. The contractor must, in all solicitations or advertisements for employment without regard to their protected veteran status.

[End of Clause]

(b) Subcontracts. Each contractor shall include the equal opportunity clause in each of its subcontracts subject to this part.

(c) Adaptation of language. Such necessary changes in language may be made to the equal opportunity clause as must be appropriate to identify properly the parties and their undertakings.

(d) Inclusion of the equal opportunity clause in the contract. It is not necessary to include the equal opportunity clause verbatim in the contract. The clause shall be made a part of the contract by citation to 41 CFR 60–300.5(a).
and inclusion of the following language, in bold text, after the citation: "THIS CONTRACTOR AND SUBCONTRACTOR SHALL ABIDE BY THE REQUIREMENTS OF 41 CFR 60-300.5(A). THIS REGULATION PROHIBITS DISCRIMINATION AGAINST QUALIFIED PROTECTED VETERANS, AND REQUIRES AFFIRMATIVE ACTION BY COVERED PRIME CONTRACTORS AND SUBCONTRACTORS TO EMPLOY AND ADVANCE IN EMPLOYMENT QUALIFIED PROTECTED VETERANS."

(e) Incorporation by operation of the Act. By operation of the Act, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the Act and the regulations in this part to include such a clause, whether or not it is physically incorporated in such contract and whether or not there is a written contract between the agency and the contractor.

(f) Duties of contracting agencies. Each contracting agency shall cooperate with the Director and the Secretary in the performance of their responsibilities under the Act. Such cooperation shall include insuring that the equal opportunity clause is included in all covered Government contracts and that contractors are fully informed of their obligations under the Act and this part, providing the Director with any information which comes to the agency’s attention that a contractor is not in compliance with the Act or this part, providing the Director with any information which comes to the agency’s attention that a contractor is not in compliance with the Act or this part, and taking such actions for noncompliance as are set forth in §60-300.66 as may be ordered by the Secretary or the Director.

(c) Contractual or other arrangements—
