Federal Management Regulation

(b) Report any compliance actions involving donations to public airports.

Subpart G—Donations to the American National Red Cross

§ 102–37.540 What is the authority for donations to the American National Red Cross?

Section 551 of title 40, United States Code authorizes GSA to donate to the Red Cross, for charitable use, such property as was originally derived from or through the Red Cross.

§ 102–37.545 What type of property may the American National Red Cross receive?

The Red Cross may receive surplus gamma globulin, dried plasma, albumin, antihemophilic globulin, fibrin foam, surgical dressings, or other products or materials it processed, produced, or donated to a Federal agency.

§ 102–37.550 What steps must the American National Red Cross take to acquire surplus property?

Upon receipt of information from GSA regarding the availability of surplus property for donation, the Red Cross will:

(a) Have 21 calendar days to inspect the property or request it without inspection; and

(b) Be responsible for picking up property donated to it or arranging and paying for its shipment.

§ 102–37.555 What happens to property the American National Red Cross does not request?

Property the Red Cross declines to request will be offered to SASPs for distribution to eligible donees. If such property is transferred, GSA will require the SASP to ensure that all Red Cross labels or other Red Cross identifications are obliterated or removed from the property before it is used.

§ 102–37.580 Who is responsible for costs associated with the donation?

The recipient public body is responsible for paying the disposal costs incident to the donation, such as packing, preparation for shipment, demilitarization (as defined in §102–36.40 of this chapter), loading, and transportation to its site.
