not limited to, enlarging toilet stalls, installing grab bars and accessible faucet controls, and insulating pipes under lavatories;

(d) Making public telephones serving the altered area accessible, including, but not limited to, placing telephones at an accessible height, and installing amplification devices and TTYs;

(e) Making drinking fountains serving the altered area accessible; and

(f) Making parking spaces serving the altered area accessible.

§ 102–76.80 What is required if the costs of alterations to provide an accessible path of travel to an altered area containing a primary function are disproportionate to the costs of the overall alterations for facilities subject to the standards in § 102–76.65(a)?

For facilities subject to the standards in §102–76.65(a), if the costs of alterations to provide an accessible path of travel to an altered area containing a primary function are disproportionate to the costs of the overall alterations, the path of travel must be made accessible to the extent possible without exceeding 20 percent of the costs of the alterations to the primary function area. Priority should be given to those elements that will provide the greatest access in the following order:

(a) An accessible route and an accessible entrance;

(b) At least one accessible restroom for each sex or a single unisex restroom;

(c) Accessible telephones;

(d) Accessible drinking fountains; and

(e) Accessible parking spaces.

§ 102–76.95 What recordkeeping responsibilities do Federal agencies have?

(a) The head of each Federal agency must ensure that documentation is maintained on each contract, grant or loan for the design, construction or alteration of a facility and on each lease for a facility subject to the standards in §102–76.65(a) containing one of the following statements:

(1) The standards have been or will be incorporated in the design, the construction or the alteration.

(2) The grant or loan has been or will be made subject to a requirement that the standards will be incorporated in the design, the construction or the alteration.

(3) The leased facility meets the standards, or has been or will be altered to meet the standards.

(4) The standards have been waived or modified by the Administrator of General Services, and a copy of the waiver or modification is included with the statement.

(b) If a determination is made that a facility is not subject to the standards in §102–76.65(a) because the Architectural Barriers Act does not apply to the facility, the head of the Federal agency must ensure that documentation is maintained to justify the determination.
