§ 105–64.202 How do I request access in person?
If appearing in person, you must properly identify yourself through photographic identification such as an agency identification badge, passport, or driver’s license. Records will be available during normal business hours at the offices where the records are maintained. You may examine the record and be provided a copy on request. If you want someone else to accompany you when reviewing a record, you must first sign a statement authorizing the disclosure of the record; the statement will be maintained with your record.

§ 105–64.203 How do I request access in writing?
If you request access in writing, mark both the envelope and the request letter “Privacy Act Request.” Include in the request your full name and address; a description of the records you seek; the title and number of the system of records as published in the FEDERAL REGISTER; a brief description of the nature, time, and place of your association with GSA; and any other information you believe will help in locating the record.

§ 105–64.204 Can parents and guardians obtain access to records?
If you are the parent or guardian of a minor, or of a person judicially determined to be incompetent, you must provide full information about the individual of record. You also must properly identify yourself and provide a copy of the birth certificate of the individual, or a court order establishing guardianship, whichever applies.

§ 105–64.205 Who will provide access to my record?
The system manager will make a record available to you on request, unless special conditions apply, such as for medical, law enforcement, and security records.

§ 105–64.206 How long will it take to get my record?
The system manager will make a record available within 10 workdays after receipt of your request. If a delay of more than 10 workdays is expected, the system manager will notify you in writing of the reason for the delay and when the record will be available. The system manager may ask you for additional information to clarify your request. The system manager will have an additional 10 workdays after receipt of the new information to provide the record to you, or provide another acknowledgment letter if a delay in locating the record is expected.

§ 105–64.207 Are there any fees?
No fees are charged for records when the total fee is less than $25. The system manager may waive the fee above this amount if providing records without charge is customary or in the public interest. When the cost exceeds $25, the fee for a paper copy is 10 cents per page, and the fee for materials other than paper copies is the actual cost of reproduction. For fees above $250, advance payment is required. You should pay by check or money order made payable to the General Services Administration, and provide it to the system manager.

§ 105–64.208 What special conditions apply to release of medical records?
Medical records containing information that may have an adverse effect upon a person will be released only to a physician designated in writing by you, or by your guardian or conservator. Medical records in an Official Personnel Folder (OPF) fall under the jurisdiction of the Office of Personnel Management (OPM) and will be referred to OPM for a response.
