§ 102.43 Deadlines for submitting documentation.

(a) Documentation for eligibility determinations. All eligibility documentation required by the Program should be filed together with the Request Form. However, if this is not possible, a requester will satisfy the filing deadline as long as the signed Request Form is completed (to the fullest extent possible) and submitted within the governing filing deadline described in §102.42. The Secretary will not generally begin his review of a requester’s eligibility until the documentation necessary for the Secretary to make this determination has been submitted. All such documentation must be submitted before the Program terminates.

(b) Documentation for benefits determinations. Although the Secretary will accept documentation required to make benefits determinations (i.e., calculate benefits available, if any) at the time the Request Form is filed or any time thereafter, requesters need not submit such documentation until they have been notified that the Secretary has determined eligibility. The Secretary will not generally begin his review of the benefits available to a requester until the documentation necessary for the Secretary to make a benefits determination has been submitted. All such documentation must be submitted before the Program terminates.

§ 102.44 Representatives of requesters.

(a) Persons other than a requester (e.g., a lawyer, guardian, friend) may file a Request Package on a requester’s behalf as his or her representative. A requester need not use the services of a lawyer to secure benefits under this Program. A representative (who does not need to be a lawyer) is only required, as described in this section, for requesters who are minors or legally incompetent adults. In the event that a representative files on behalf of a requester, the representative will be bound by the obligations and documentation requirements that apply to the requester (e.g., if a requester is required to submit employment records, the representative must file the requester’s employment records). The representative must also satisfy the requirements specific to representatives set forth in this regulation. If a requester has a representative, all communications from the Secretary will be directed exclusively to the representative.

(b) Representatives of legally competent adults. A requester who is a legally competent adult may use a representative to submit a Request Package on
§ 102.45 Multiple survivors.

Multiple survivors of the same smallpox vaccine recipient or vaccinia contact may file Request Forms separately or together. Multiple survivors may also submit one set of any required documentation on behalf of all of the requesting survivors as long as such documentation is identical for each survivor.

§ 102.46 Amending a request package.

(a) Generally. All requesters may amend their documentation concerning eligibility until the Secretary has made an eligibility determination. Requesters also may amend their information or documentation concerning the calculation of benefits until the Secretary has made a benefits determination. The Secretary may, at his discretion, accept eligibility or benefits documents even after eligibility or benefits determinations have been made (e.g., the Secretary may accept new documents concerning eligibility after determining that a requester is ineligible and may use such documents to reevaluate the earlier eligibility determination). However, such new documentation will not be used in any reconsideration regarding the initial determination. The Secretary will not consider any documentation submitted after the Program terminates.

(b) Requesters who are survivors. If a smallpox vaccine recipient or vaccinia contact submitted a Request Form within the filing deadline, but subsequently dies, his or her survivor(s) may amend his or her Request Package at any time before the Program terminates in order to be considered eligible for death benefits. Such an amendment can be filed regardless of whether the Secretary made an eligibility determination or paid benefits with respect to the deceased person’s Request Package. However, a survivor filing an amendment to a previously filed Request Package may only be entitled to benefits if the previously filed Request Package was filed within the governing filing deadline. All documentation that has already been submitted with respect to the deceased person will be considered part of the survivor requester’s Request Package, and he or she is not required to resubmit such documentation. Survivor requesters must also file an amendment to a Request Package if there is a change in the order of priority of survivors, as described in §102.11. Such an amendment may be filed at any time before the Program terminates.

(c) Requests in which benefits are sought by the estate of a deceased smallpox vaccine recipient or vaccinia contact. If a smallpox vaccine recipient or vaccinia contact submitted a Request Form within the filing deadline, but subsequently dies, a representative of his or her estate may amend his or her Request Package at any time before the Program terminates in order to be considered eligible for benefits. Such an amendment can be filed regardless of whether the Secretary made an eligibility determination or paid benefits with respect to the deceased person’s Request Package. However, a representative of an estate filing an amendment to a previously filed Request Package may only be entitled to benefits if the previously filed Request Package was filed within the governing filing deadline. All documentation that has already been submitted with respect to the deceased person will be considered part of the estate’s Request Package, and he or she is not required to resubmit such documentation. Estate requesters must also file an amendment to a Request Package if there is a change in the order of priority of survivors, as described in §102.11. Such an amendment may be filed at any time before the Program terminates.
