§ 62.13 What are the limitations on the receipt of concurrent benefits?

Under section 741(f) or 836(h) of the Act, the Secretary may agree to repay a portion of an individual’s educational loans in return for the individual’s agreement to practice his or her profession in an area in need of health manpower. However, a Scholarship Program participant may not enter into an agreement with the Secretary under section 741(f) or 836(h) of the Act, until either:

(a) The participant has completed the service obligation under the Scholarship Program,

(b) The Secretary has recovered from the participant an amount determined under §62.10, or

(c) Any service or payment obligation has been waived under §62.12.

In no case shall a scholarship received under these regulations be considered an educational loan for the purposes of section 741(f) or 836(h) of the Act.

§ 62.14 What are the special provisions relating to recipients of awards under the PH/NHSC scholarship training program who will also receive awards under the scholarship program?

(a) Except as provided in paragraph (b) of this section, if a participant has previously received an award under the PH/NHSC Scholarship Training Program and also receives an award under the Scholarship Program, the terms and conditions of these regulations will apply to the participant’s entire obligation incurred under both the PH/NHSC Scholarship Training Program and the Scholarship Program.

(b) If a participant has received an award under the PH/NHSC Scholarship Training Program and also receives an award under the Scholarship Program, the following conditions apply:

(1) Period of obligated service—carry over. The period of obligated service owed by the participant is equal to the total number of school years for which scholarship support was awarded under both the PH/NHSC Scholarship Training Program and the Scholarship Program without regard to either Program’s minimum support requirement under 42 CFR 62.7(a) (1976) as adopted on May 22, 1974 (see 39 FR 17962), and under §62.8(c) of this part.

(2) Credit for internship and residency training. (i) If a participant received a scholarship under the PH/NHSC Scholarship Training Program for any school year beginning before October 12, 1976, the participant will receive credit toward satisfying the periods of obligated service incurred under the PH/NHSC Scholarship Training Program and under §62.8 of this part for any periods of internship or residency training served in a Service or National Health Service Corps facility.

(ii) If a participant received a scholarship for the first time during the 1977–78 school year under the PH/NHSC Scholarship Training Program, the participant will only receive 1 year of credit toward satisfying the period of obligated service incurred under the PH/NHSC Scholarship Training Program for internship or residency training served in a Service or National Health Service Corps facility.
§ 62.22 Definitions.

The definitions in §62.2 of this part will apply for the purpose of this subpart, except for the definition of approved graduate training. The following definitions will also apply for purposes of this subpart:

Approved graduate training means a program of graduate training in allopathic or osteopathic medicine, dentistry or other health profession which (a) leads to eligibility for board certification or which provides other evidence of completion, (b) has been approved by the appropriate health professions body as determined by the Secretary and (c) is in the specialty or type of training specified by the Program participant in the Loan Repayment Program Contract or, at the Program participant’s request and at the Secretary’s option, is in a specialty or area of training determined by the Secretary to be consistent with the needs of the National Health Service Corps.

Commercial loans means loans made by banks, credit unions, savings and loan associations, insurance companies, schools, and other financial or credit institutions which are subject to examination and supervision in their capacity as lenders by an agency of the United States or of the State in which the lender has its principal place of business.

Educational expenses means the costs of the health professions education, exclusive of the tuition, such as fees, books, supplies, and educational equipment and materials.

Government loans means loans which are made by Federal, State, county or city agencies which are authorized by law to make such loans.

Living expenses means the costs of room and board, transportation and commuting costs and other costs incurred during an individual’s attendance at a health professions school.

Loan Repayment Program means the National Health Service Corps Loan Repayment Program authorized by section 338B of the Act (42 U.S.C. 2541-1).

Loan Repayment Program Contract means the agreement, which is signed by an applicant and the Secretary, for the Loan Repayment Program wherein the applicant agrees to accept repayment of health professions educational loans and to serve in accordance with the provisions of section 338B of the Act and this subpart for a prescribed period of obligated service.

Medically underserved area means health manpower shortage area as defined in §62.2.
