§412.405 Preadmission services as inpatient operating costs under the inpatient psychiatric facility prospective payment system.

The prospective payment system includes payment for inpatient operating costs of preadmission services if the inpatient operating costs are for—

(a) Preadmission services otherwise payable under Medicare Part B furnished to a beneficiary on the date of the beneficiary’s inpatient admission,
and during the calendar day immediately preceding the date of the beneficiary’s inpatient admission, to the inpatient psychiatric facility that meet the following conditions:

(1) The services are furnished by the inpatient psychiatric facility or by an entity wholly owned or wholly operated by the inpatient psychiatric facility. An entity is wholly owned by the inpatient psychiatric facility if the inpatient psychiatric facility is the sole owner of the entity. An entity is wholly operated by an inpatient psychiatric facility if the inpatient psychiatric facility has exclusive responsibility for conducting and overseeing the entity’s routine operations, regardless of whether the inpatient psychiatric facility also has policymaking authority over the entity.

(2) The services are diagnostic (including clinical diagnostic laboratory tests).

(3) The services are nondiagnostic when furnished on the date of the beneficiary’s inpatient admission, the services are nondiagnostic when furnished on the calendar day preceding the date of the beneficiary’s inpatient admission and the hospital does not demonstrate that such services are unrelated to the beneficiary’s inpatient admission, and are not one of the following:

(i) Ambulance services.

(ii) Maintenance renal dialysis services.

(b) The preadmission services are furnished on or after June 25, 2010.

§ 412.424 Methodology for calculating the Federal per diem payment amount.

(a) Data sources. (1) To calculate the Federal per diem base rate (as specified in paragraph (b) of this section for inpatient psychiatric facilities, as specified in paragraph (b) of this section, CMS uses the following data sources:

(i) Patient and facility cost report data capturing routine and ancillary costs.

(ii) An appropriate wage index to adjust for wage differences.

(iii) An increase factor to adjust for the most recent estimate of increases in the prices of an appropriate market basket of goods and services provided by inpatient psychiatric facilities.

(b) Determining the average per diem cost of inpatient psychiatric facilities for FY 2002. CMS determines the average inpatient operating, ancillary, and capital-related per diem cost for which payment is made to each inpatient psychiatric facility, using the available data described in paragraph (a) of this section.

(c) Determining the Federal per diem base rate for cost reporting periods beginning on or after January 1, 2005 through
