(iii) Within five working days after the date that the determination is made, notify the agency that a child is presumptively eligible;

(iv) For children determined to be presumptively eligible, notify the child’s parent or caretaker at the time the determination is made, in writing and orally if appropriate, that—

(A) If a Medicaid application on behalf of the child is not filed by the last day of the following month, the child’s presumptive eligibility will end on that last day; and

(B) If a Medicaid application on behalf of the child is filed by the last day of the following month, the child’s presumptive eligibility will end on the day that a decision is made on the Medicaid application.

(v) For children determined not to be presumptively eligible, notify the child’s parent or caretaker at the time the determination is made, in writing and orally if appropriate—
