§ 440.70 Home health services.
(a) “Home health services” means the services in paragraph (b) of this section that are provided to a beneficiary—
   (1) At his place of residence, as specified in paragraph (c) of this section; and
   (2) On his or her physician’s orders as part of a written plan of care that the physician reviews every 60 days, except as specified in paragraph (b)(3) of this section.
(b) Home health services include the following services and items. Those listed in paragraphs (b) (1), (2) and (3) of this section are required services; those in paragraph (b)(4) of this section are optional.
   (1) Nursing service, as defined in the State Nurse Practice Act, that is provided on a part-time or intermittent basis by a home health agency as defined in paragraph (d) of this section, or if there is no agency in the area, a registered nurse who—
      (i) Is currently licensed to practice in the State;
      (ii) Receives written orders from the patient’s physician;
      (iii) Documents the care and services provided; and
      (iv) Has had orientation to acceptable clinical and administrative recordkeeping from a health department nurse.
   (2) Home health aide service provided by a home health agency.
   (3) Medical supplies, equipment, and appliances suitable for use in the home.
      (i) A beneficiary’s need for medical supplies, equipment, and appliances must be reviewed by a physician annually.
      (ii) Frequency of further physician review of a beneficiary’s continuing need for the items is determined on a case-by-case basis, based on the nature of the item prescribed.
   (4) Physical therapy, occupational therapy, or speech pathology and audiology services, provided by a home health agency or by a facility licensed by the State to provide medical rehabilitation services. (See §441.15 of this subchapter.)
(c) A beneficiary’s place of residence, for home health services, does not include a hospital, nursing facility, or intermediate care facility for individuals with intellectual disabilities, except for home health services in an intermediate care facility for Individuals with Intellectual Disabilities that are not required to be provided by the facility under subpart I of part 483. For example, a registered nurse may provide short-term care for a beneficiary in an intermediate care facility for Individuals with Intellectual Disabilities during an acute illness to avoid the beneficiary’s transfer to a nursing facility.
(d) “Home health agency” means a public or private agency or organization, or part of an agency or organization, that meets requirements for participation in Medicare, including the capitalization requirements under §489.28 of this chapter.
(e) A “facility licensed by the State to provide medical rehabilitation services” means a facility that—
   (1) Provides therapy services for the primary purpose of assisting in the rehabilitation of disabled individuals through an integrated program of—
      (i) Medical evaluation and services; and
      (ii) Psychological, social, or vocational evaluation and services; and
   (2) Is operated under competent medical supervision either—
      (i) In connection with a hospital; or
      (ii) As a facility in which all medical and related health services are prescribed by or under the direction of individuals licensed to practice medicine or surgery in the State.
§ 440.80 Private duty nursing services.
Private duty nursing services means nursing services for beneficiaries who require more individual and continuous care than is available from a visiting nurse or routinely provided by the nursing staff of the hospital or skilled nursing facility. These services are provided—
(a) By a registered nurse or a licensed practical nurse;
