§ 442.30 Agreement as evidence of certification.

(a) Under §§440.40(a) and 440.150 of this chapter, FFP is available in expenditures for NF and ICF/IID services only if the facility has been certified as meeting the requirements for Medicaid participation, as evidenced by a provider agreement executed under this part. An agreement is not valid evidence that a facility has met those requirements if CMS determines that—

(1) The survey agency failed to apply the applicable requirements under subpart B of part 483 of this chapter for NFs or subpart I of part 483 of this chapter, which set forth the conditions of participation for ICFs/IID.

(2) The survey agency failed to follow the rules and procedures for certification set forth in subpart C of this part, subpart E of part 488, and §431.610 of this subchapter;

(3) The survey agency failed to perform any of the functions specified in §431.610(g) of this subchapter relating to evaluating and acting on information about the facility and inspecting the facility;

(4) The agency failed to use the Federal standards, and the forms, methods and procedures prescribed by CMS as

(c) Conformance with certification condition. An agreement must be in accordance with the certification provisions set by the Secretary or the survey agency under subpart C of this part for ICF/s/IID or subpart E of part 488 of this chapter for NFs.

(d) Denial for good cause. (1) If the Medicaid agency has adequate documentation showing good cause, it may refuse to execute an agreement, or may cancel an agreement, with a certified facility.

(2) A provider agreement is not a valid agreement for purposes of this part even though certified by the State survey agency, if the facility fails to meet the civil rights requirements set forth in 45 CFR parts 80, 84, and 90.
