§ 457.340 Application for and enrollment in CHIP.

(a) Application and renewal assistance, availability of program information, and Internet Web site. The terms of §435.905, §435.906, §435.907(h), §435.908, and §435.1200(f) of this chapter apply equally to the State in administering a separate CHIP.

(b) Use of Social Security number. The terms of §435.910 and §435.907(e) of this chapter regarding the provision and use of Social Security Numbers and non-applicant information apply equally to the State in administering a separate CHIP.

(c) Notice of rights and responsibilities. A State must inform applicants at the time of application, in writing and orally if appropriate, about the application and eligibility requirements, the time frame for determining eligibility, and the right to review of eligibility determinations as described in §457.1130.

(d) Timely determination of eligibility.

(1) The terms in §435.912 of this chapter apply equally to CHIP, except that standards for transferring electronic accounts to other insurance affordability programs are pursuant to §457.350 and the standards for receiving applications from other insurance affordability programs are pursuant to §457.348 of this part.

(2) In applying timeliness standards, the State must define “date of application” and must count each calendar day from the date of application to the day the agency provides notice of its eligibility decision.

(3) In the case of individuals subject to a period of uninsurance under this part, the state must identify and implement processes to facilitate enrollment of CHIP-eligible children who have satisfied a period of uninsurance (as described under §457.805). To minimize burden on individuals, a state may not require a new application or information already provided by a family immediately preceding the beginning of a waiting period. States must also ensure that the proper safeguards are in place to prevent a disruption in coverage for children transitioning from coverage under another insurance affordability program after the completion of a period of uninsurance.

§ 457.343 Periodic renewal of CHIP eligibility.

The renewal procedures described in §435.916 of this chapter apply equally to the State in administering a separate CHIP, except that the State shall verify information needed to renew CHIP eligibility in accordance with §457.380 of this subpart, shall provide notice regarding the State’s determination of renewed eligibility or termination in accordance with §457.340(e) of this subpart and shall comply with the requirements set forth in §457.350 of this subpart for screening individuals.
§ 457.348 Determinations of Children's Health Insurance Program eligibility by other insurance affordability programs.

(a) Agreements with other insurance affordability programs. The State must enter into and, upon request, provide to the Secretary one or more agreements with the Exchange and the agencies administering other insurance affordability programs as are necessary to fulfill the requirements of this section, including a clear delineation of the responsibilities of each program to—
   (1) Minimize burden on individuals;
   (2) Ensure compliance with paragraph (c) of this section, § 457.350, and if applicable, paragraph (b) of this section;
   (3) Ensure prompt determination of eligibility and enrollment in the appropriate program without undue delay, consistent with the timeliness standards established under § 457.340(d) of this subpart, based on the date the application is submitted to any insurance affordability program.

(b) Provision of CHIP for individuals found eligible for CHIP by another insurance affordability program. If a State accepts final determinations of CHIP eligibility made by another insurance affordability program, for each individual determined so eligible by the other program, the State must—
   (1) Establish procedures to receive, via secure electronic interface, the electronic account containing the determination of CHIP eligibility; and
   (2) Comply with the provisions of § 457.340 of this subpart to the same extent as if the application had been submitted to the State.

(c) Transfer from other insurance affordability programs to CHIP. For individuals for whom another insurance affordability program has not made a determination of CHIP eligibility, but who have been screened as potentially CHIP eligible, the State must—
   (1) Accept, via secure electronic interface, the electronic account for the individual.
   (2) Not request information or documentation from the individual already provided to the other insurance affordability program and included in the individual's electronic account or other transmission from the other program;
   (3) Promptly and without undue delay, consistent with the timeliness standards established under § 457.340(d) of this subpart, determine the CHIP eligibility of the individual, in accordance with § 457.340 of this subpart, without requiring submission of another application;
   (4) Accept any finding relating to a criterion of eligibility made by such program, without further verification, if such finding was made in accordance with policies and procedures which are the same as those applied by the State in accordance with § 457.340 of this subpart or approved by it in the agreement described in paragraph (a) of this section;
   (5) Notify such program of the receipt of the electronic account.
   (6) Notify such program of the final determination of the individual's eligibility or ineligibility for CHIP.

(d) Certification of eligibility criteria. The State must certify for the Exchange and other insurance affordability programs the criteria applied in determining CHIP eligibility.

§ 457.350 Eligibility screening and enrollment in other insurance affordability programs.

(a) State plan requirement. The State plan shall include a description of the coordinated eligibility and enrollment procedures used, at an initial and any follow-up eligibility determination, including any periodic redetermination, to ensure that:
   (1) Only targeted low-income children are furnished CHIP coverage under the plan; and
   (2) Enrollment is facilitated for applicants and enrollees found to be potentially eligible for other insurance
