[53 FR 22835, June 17, 1988]

§ 3000.10 What do I need to know about fees in general?

(a) Setting fees. Fees may be statutorily set fees, relatively nominal filing fees, or processing fees intended to reimburse BLM for its reasonable processing costs. For processing fees, BLM takes into account the factors in Section 304 (b) of the Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1734(b)) before deciding a fee. BLM considers the factors for each type of document when the processing fee is a fixed fee and for each individual document when the fee is decided on a case-by-case basis, as explained in §3000.11.

(b) Conditions for filing. BLM will not accept a document that you submit without the proper filing or processing fee amounts except for documents where BLM sets the fee on a case-by-case basis. Fees are not refundable except as provided for case-by-case fees in §3000.11. BLM will keep your fixed filing or processing fee as a service charge even if we do not approve your application or you withdraw it completely or partially.

(c) Periodic adjustment. We will periodically adjust fees established in this subchapter according to change in the Implicit Price Deflator for Gross Domestic Product, which is published quarterly by the U.S. Department of Commerce. Because the fee recalculation is simply based on a mathematical formula, we will change the fees in final rules without opportunity for notice and comment.

(d) Timing of fee applicability. (1) For a document BLM receives before November 7, 2005, we will not charge a fixed fee or a case-by-case fee under this subchapter for processing that document, except for fees applicable under then-existing regulations.

(2) For a document BLM receives on or after November 7, 2005, you must include required fixed fees with documents you file, as provided in §3000.12(a) of this chapter, and you are subject to case-by-case processing fees as provided in §3000.11 of this chapter and under other provisions of this chapter.

§ 3000.11 When and how does BLM charge me processing fees on a case-by-case basis?

(a) Fees in this subchapter are designated either as case-by-case fees or as fixed fees. The fixed fees are established in this subchapter for specified types of documents. However, if BLM decides at any time that a particular document designated for a fixed fee will have a unique processing cost, such as the preparation of an Environmental Impact Statement, we may set the fee under the case-by-case procedures in this section.

(b) For case-by-case fees, BLM measures the ongoing processing cost for each individual document and considers the factors in Section 304(b) of FLPMA on a case-by-case basis according to the following procedures:

(1) You may ask BLM’s approval to do all or part of any study or other activity according to standards BLM specifies, thereby reducing BLM’s costs for processing your document.

(2) Before performing any case processing, we will give you a written estimate of the proposed fee for reasonable processing costs after we consider the FLPMA Section 304(b) factors.

(3) You may comment on the proposed fee.

(4) We will then give you the final estimate of the processing fee amount after considering your comments and any BLM-approved work you will do.

(i) If we encounter higher or lower processing costs than anticipated, we will re-estimate our reasonable processing costs following the procedure in paragraphs (b)(1), (b)(2), (b)(3) and (b)(4) of this section, but we will not stop ongoing processing unless you do not pay in accordance with paragraph (b)(5) of this section.
