§ 3602.40 Competitive sales.

In addition to the following sections, §§ 3602.41 through 3602.49, the provisions of §§ 3602.11 through 3602.29 also apply to competitive sales.

§ 3602.41 When will BLM sell mineral materials on a competitive basis?

Except for sales from community pits and common use areas under subpart 3603 of this part, and noncompetitive sales under § 3602.30 et seq., BLM will make sales only after inviting competitive bids through publication and posting under § 3602.42.

§ 3602.42 How does BLM publicize competitive mineral materials sales?

(a) When offering mineral materials for sale by competitive bidding, BLM:

(1) Will advertise the sale by publishing a sale notice in a newspaper of general circulation in the area where the material is located, on the same day once a week for 2 consecutive weeks; and

(2) Will post a sale notice in a conspicuous place in the office where you will submit bids.

(b) In the sale notice, BLM will state:

(1) By legal description, the location of the tract or tracts on which we are offering the materials;

(2) The kind of materials we are offering;

(4) The unit of measurement;

(5) The appraised prices;

(6) The time and place for receiving and opening of bids;

(7) The minimum deposit we require;

(8) If the sale is by request, the total cost recovery fee paid to BLM by the applicant up to 21 days before the sale;

(9) The site access that will be available to the purchaser;

(10) The method of bidding;

(11) If applicable, that the purchaser must file mining or reclamation plans;

(12) The bonding requirement;

(13) The location for inspection of contract terms and proposed stipulations;

(14) The address and telephone number of the office where you may obtain additional information;

§ 3602.43 How does BLM conduct competitive mineral materials sales?

(a) The applicant requesting a mineral materials sale must pay a processing fee on a case-by-case basis as described in § 3000.11 of this chapter as modified by the provisions in this section and in § 3602.42(b)(8). The cost recovery process for a competitive mineral materials sale follows:

(1) The applicant requesting the sale must pay the cost recovery fee amount before BLM will publish a sale notice.

(2) Before the contract is issued:

(i) The successful bidder, if someone other than the applicant, must pay to BLM the cost recovery amount specified in the sale notice; and

(ii) The successful bidder must pay all processing costs BLM incurs after the date of the sale notice.

(3) If the successful bidder is someone other than the applicant, BLM will refund to the applicant the amount paid under paragraph (a)(1) of this section.

(b) In conducting a competitive sale, BLM may require submission of sealed written bids, oral bids, or a combination of both. The sale notice will state how you must submit your bid. If 2 or more persons make identical high sealed bids, BLM will determine the highest bid by holding an oral auction among the persons making the identical high bids.
