§ 1115.2 Definitions.

For purposes of this part:

(a) Foundation means the National Foundation on the Arts and the Humanities.

(c) Individual means a citizen of the United States or an alien lawfully admitted for permanent residence.

(d) Maintain, used with reference to a record means to collect, to use, to disseminate, to have control over and responsibility for such record.

(e) Record means any item, collection or grouping of information about an individual that is maintained by the Foundation and that is retrievable by his or her name or an identifying particular, such as a number, symbol, fingerprint, or photograph of the individual. Information maintained by the Foundation includes, but is not limited to, education, financial transactions, medical history, employment history and criminal history.

(f) Routine use means, with respect to the disclosure of a record, the use of such a record for a purpose which is compatible with the purpose for which it was collected. The routine uses of record systems maintained by the Foundation were established pursuant to notice in the FEDERAL REGISTER.

(g) System of records means a group of any records under the control of the Foundation from which information about an individual is retrievable by his or her name or by some identifying particular.

§ 1115.3 Procedures for notification of existence of records pertaining to individuals.

(a) The systems of records, as defined in the Privacy Act of 1974, maintained by the National Foundation on the Arts and the Humanities are listed annually in the FEDERAL REGISTER as required by that Act. Any person who wishes to know whether a system of records contains a record pertaining to him may appear in person at the National Endowment for the Arts, Room 1338, 2401 E Street NW., Washington, DC 20506, or the National Endowment for the Humanities, Room 1000, 806 15th Street NW., Washington, DC 20506, on work days between the hours of 9:00 a.m. and 5:30 p.m. or by writing to the Office of the General Counsel, National Endowment for the Arts or National Endowment for the Humanities, Washington, DC 20506. It is recommended that requests be made in writing, since in many cases it will take several days to ascertain whether a record exists.

(b) Requests for notification of the existence of a record should specifically identify the system of records involved and should state, if the requestor is other than the individual to whom the record pertains, the relationship of the requestor to that individual. (Note that requests will not be honored by the Foundation pursuant to the Privacy Act unless made (1) by the individual to whom the record pertains, (2) by such individual’s parent if the individual is a minor, or (3) by such individual’s legal guardian if the individual has been declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction).

(c) The Foundation will attempt to respond to a request as to whether a record exists within 10 working days from the time it receives the request or from the time any required identification is established, whichever is later.

§ 1115.4 Procedures for requests for access to or disclosure of records pertaining to an individual.

(a) Any person may request review of records pertaining to him by appearing at the National Endowment for the Arts, Room 1338, 2401 E Street, NW., Washington, DC 20506, or the National Endowment for the Humanities, Room 1000, 806 15th Street, NW., Washington, DC 20506 on work days between the hours of 9:00 a.m. and 5:30 p.m. or by writing to the Office of the General Counsel, National Endowment for the Arts, or National Endowment for the Humanities, Washington, DC 20506.

(See paragraphs (b) and (c) of this section for identification requirements.) The request should specifically identify the systems or records involved. The Foundation will strive either to make the record available within 15 working days of the request or to inform the requestor of the need for additional identification or the tendering of fees (as
specified in paragraph (d) of this section) within 15 working days.

(b) In the case of persons making requests by appearing at the Foundation, the amount of personal identification required will of necessity vary with the sensitivity of the record involved. Except as indicated below, reasonable identification such as employment identification cards, drivers licenses, and credit cards will normally be accepted as sufficient evidence of identity in the absence of any indications to the contrary. Records in the following systems of records, however, are considered to contain relatively sensitive and/or detailed personal information—

GRANT APPLICATIONS—NEA.
GRANT APPLICATIONS—NEH.
GRANTS TO INDIVIDUALS—NEA.
GRANTS TO INDIVIDUALS AND INSTITUTIONS—NEH.
EQUAL EMPLOYMENT OPPORTUNITY CASE FILE—NFAH NEA/NEH.

PERSONNEL RECORDS—NFAH.

Accordingly, with respect to requests for records in these systems the Foundation reserves the rights to require sufficient identification to identify positively the individual making the request. This might involve independent verification by the Foundation as by phone calls to determine whether an individual has made a request, personal identification by Foundation employees who know the individual, or such other means as are considered appropriate under the circumstances.

(c) A written request will be honored only if it contains the following certification before a duly commissioned notary public of any state or territory (or similar official if the request is made outside the United States):

I, ________________________________ (Printed name), do hereby certify that I am the individual about whom the record requested in this letter pertains or that I am within the class of persons authorized to act on his behalf in accordance with 5 U.S.C. 552a(h).

However, where the record requested is contained in any of the systems of records listed in paragraph (b) of this section, the Foundation reserves the right to require additional identification and/or to independently verify to its satisfaction, the identity of the requester.

(d) Charges for copies of records will be at the rate of $0.10 per photography of each page. Where records are not susceptible to photo-copying, e.g., punch cards, magnetic tapes or oversize materials, the amount charged will be actual cost as determined on a case-by-case basis. Only one copy of each record requested will be supplied. No charge will be made unless the charge as computed above would exceed $3.00 for each request or related series of requests. If a fee in excess of $25.00 would be required, the requestor shall be notified and the fee must be tendered before the records will be copied.

§ 1115.5 Correction of records.

(a) Any individual is entitled to request amendments of records pertaining to him pursuant to 5 U.S.C. 552a(d)(2). Such a request shall be made in writing and addressed to the Office of the General Counsel, National Endowment for the Arts or National Endowment for the Humanities, Washington, DC 20506.

(b) The request should specify the record and systems of records involved, and should specify the exact correction desired and state that the request is made pursuant to the Privacy Act. An edited copy of the record showing the desired correction is desirable. Within 10 working days of the receipt of a properly addressed request (or within 10 working days of the time the General Counsel, National Endowment for the Arts or the General Counsel, National Endowment for the Humanities becomes aware that a particular communication not addressed as prescribed above is a request for correction of a record under the Privacy Act), the General Counsel’s office shall acknowledge receipt of the request.
