

§ 1309.22

§ 1309.22 Rights and responsibilities in the event of grantee's default on mortgage, or withdrawal or termination.

(a) The mortgage agreement, or security agreement in the case of a modular unit which is proposed to be purchased under a chattel mortgage, shall provide in the case of default by the grantee or the withdrawal or termination of the grantee from the Head Start program that ACF may intervene. In the case of a default, the mortgage agreement or security agreement must provide that ACF may intervene to ensure that the default is cured by the grantee or another agency designated by ACF and that the lender shall accept the payment of money or performance of any other obligation by ACF's designee, for the grantee, as if such payment of money or performance had been made by the grantee. The agreement shall also provide that ACF will have a period of 60 days after notification by the grantee of default in which to intervene to attempt to cure the default. The agreement shall further provide that in the event of a default, or the withdrawal or termination of the grantee the mortgage may be assumed by an organization designated by ACF. The mortgage or creditor will have the right to approve the organization designated to assume the mortgage, but such approval will not be withheld except for good reason. The required provisions must be included in the mortgages of facilities funded as continuing purchases pursuant to §1309.2 unless a convincing justification for not doing so is shown by the Head Start grantee.

(b) The grantee must immediately provide the responsible HHS official with both telephonic and written notification of a default of any description on the part of the grantee under a real property or chattel mortgage.

(c) In the event that a default is not cured and foreclosure takes place, the mortgagee or creditor shall pay ACF that percentage of the proceeds from the foreclosure sale of the property attributable to the Federal share as defined in 45 CFR 74.2, or, if part 92 is applicable, to ACF's share as defined in 45 CFR 92.3. If ACF and the mortgagee or creditor have agreed that ACF's Fed-

eral interest will be subordinated to the mortgagee's or creditor's interest in the property, that agreement must be set forth in a written subordination agreement that is signed by the responsible HHS official and that complies with §1309.21 and any other applicable Federal law.

§ 1309.23 Insurance, bonding and maintenance.

(a) At the time of acquiring or undertaking a major renovation of a facility or receiving approval for the use of Head Start funds to continue purchase the grantee shall obtain insurance coverage for the facility which is not lower in value than coverage it has obtained for other real property it owns, and which at least meets the requirements of the coverage specified in paragraphs (a)(1) and (2) of this section. For facilities, which have been constructed or renovated, insurance coverage must begin at the commencement of the expenditure of costs in fulfillment of construction or renovation work.

(1) A title insurance policy which insures the fee interest in the facility for an amount not less than the full appraised value as approved by ACF, or the amount of the purchase price, whichever is greater, and which contains an endorsement identifying ACF as a loss payee to be reimbursed if the title fails. If no endorsement naming ACF as loss payee is made, the grantee is required to pay ACF the title insurance proceeds it receives in the event of title failure; and

(2) A physical destruction insurance policy, including flood insurance where appropriate, which insures the full replacement value of the facility from risk of partial and total physical destruction. The insurance policy is to be maintained for the period of time the facility is owned by the grantee.

(b) The grantee shall submit copies of such insurance policies to ACF within five days of acquiring the facility or receiving approval for the previous purchase of a facility. If the grantee has not received the policies in time to submit copies within this period, it

shall submit evidence that it has obtained the appropriate insurance policies within five days of acquiring the facility or receiving approval for the previous purchase of a facility, and it shall submit copies of the policies within five days of its receipt of them.

(c) The grantee must maintain facilities acquired with grant funds in a manner consistent with the purposes for which the funds were provided and in compliance with State and local government property standards and building codes.

§ 1309.30 General.

In addition to the special requirements of §§1309.31 through 1309.34, the proposed purchase or request for approval of continuing purchase of a modular unit is subject to all of the requirements of this part with the following exceptions:

(a) The requirements of §1309.33 apply rather than the requirement of §1309.10(i); and

(b) Section 1309.21(d) of this part does not apply to the proposed purchase of modular units if the land on which the unit is installed is not owned by the grantee.

§ 1309.31 Site description.

(a) An application for the purchase or approval of a continuing purchase of a modular unit pursuant to §1309.2 must state specifically where the modular unit is or will be installed, and whether the land on which the modular unit will be installed will be purchased by the grantee. If the grantee does not propose to purchase the land on which to install the modular unit or if the modular unit the grantee is continuing to purchase with Head Start funds is located on land not owned by the grantee, the application must state who owns the land on which the modular unit is or will be situated and describe the easement, right-of-way or land rental it will obtain or has ob-

(b) Modular units which are purchased with grant funds and which are not permanently affixed to land, or which are affixed to land which is not owned by the grantee, must have posted in a conspicuous place the following notice: "On (date), the Department of Health and Human Services (DHHS) awarded (grant number) to (Name of grantee). The grant provided Federal funds for conduct of a Head Start program, including purchase of this modular unit. The grant incorporated conditions which included restrictions on the use and disposition of this property, and provided for a continuing Federal interest in the property. Specifically, the property may not be used for any purpose other than the purpose for which the facility was funded, without the express written approval of the responsible DHHS official, or sold or transferred to another party without the written permission of the responsible DHHS official. These conditions are in accordance with the statutory provisions set forth in 42 U.S.C. 9839; the regulatory provisions set forth in 45 CFR part 1309, 45 CFR part 74 and 45 CFR part 92; and Administration for Children and Families' grants policy."

(c) A modular unit which has been approved for purchase and installation in one location may not be moved to another location without the written permission of the responsible HHS official.
