§ 1309.4 Eligibility—Construction.

Before submitting an application under §1309.10 for construction of a facility, the grantee must establish that:

(a) The Head Start program serves an Indian Tribe; or is located in a rural or other low-income community; and

(b) There is a lack of suitable facilities (including public school facilities) in the grantee’s service area which will inhibit the operation of the program, as demonstrated by a statement that neither the grantee’s current facility nor any facility available for lease in the service area is suitable for use by the Head Start program. This statement must explain the factors considered, how it was determined that there is a lack of suitable facilities and be supported, whenever possible, by written statement from a licensed real estate professional in the grantee’s service area.

Subpart B—Application Procedures

§ 1309.10 Applications for the purchase, construction and major renovation of facilities.

A grantee which proposes to use grant funds to purchase a facility, or a grantee found eligible under §1309.4 to apply for funds to construct a facility, or §1309.5 to undertake major renovation of a facility, including facilities purchased for that purpose, must submit a written application to the responsible HHS official. The application must include the following information:

(a) A legal description of the site of the facility, and an explanation of the appropriateness of the location to the grantee’s service area, including a statement of the effect that acquisition or major renovation of the facility has had or will have on the transportation of children to the program, on the grantee’s ability to collaborate with other child care, early education programs, social services and health providers, and on all other program activities and services.
