Office of Human Development Services, HHS

§ 1310.15 Operation of vehicles.

Each agency providing transportation services, either directly or through an arrangement with another organization or an individual, to children enrolled in its program must ensure that:

(a) Effective October 1, 2006, on a vehicle equipped for use of such devices, any child enrolled in a Head Start or Early Head Start program is seated in a child restraint system appropriate to the child’s height and weight while the vehicle is in motion.

(b) Baggage and other items transported in the passenger compartment are properly stored and secured and the aisles remain clear and the doors and emergency exits remain unobstructed at all times.

(c) Effective June 21, 2004, there is at least one bus monitor on board at all times, with additional bus monitors provided as necessary, such as when needed to accommodate the needs of children with disabilities. As provided
§ 1310.16 Driver qualifications.

(a) Each agency providing transportation services must ensure that persons who drive vehicles used to provide such services, at a minimum:

(1) in States where such licenses are granted, have a valid Commercial Driver’s License (CDL) for vehicles in the same class as the vehicle the driver will operating; and

(2) meet any physical, mental, and other requirements established under applicable law or regulations as necessary to perform job-related functions with any necessary reasonable accommodations.

(b) Each agency providing transportation services must ensure that there is an applicant review process for use in hiring drivers, that applicants for driver positions must be advised of the specific background checks required at the time application is made, and that there are criteria for the rejection of unacceptable applicants. The applicant review procedure must include, at minimum:

(1) all elements specified in 45 CFR 1304.52(b), with additional disclosure by the applicant of all moving traffic violations, regardless of penalty;

(2) a check of the applicant’s driving record through the appropriate State agency, including a check of the applicant’s record through the National Driver Register, if available in the State; and

(3) after a conditional offer of employment to the applicant and before the applicant begins work as a driver, a medical examination, performed by a licensed doctor of medicine or osteopathy, establishing that the individual possesses the physical ability to perform any job-related functions with any necessary accommodations.

(c) As provided in 45 CFR 1310.2(a), this section does not apply to transportation services to children served under the home-based option for Head Start and Early Head Start.

(d) Except for bus monitors who are assisting children, all vehicle occupants must be seated and wearing height- and weight-appropriate safety restraints while the vehicle is in motion.

§ 1310.17 Driver and bus monitor training.

(a) Each agency providing transportation services must ensure that persons employed to drive vehicles used in providing such services will have received the training required under paragraphs (b) and (c) of this section no later than 90 days after the effective date of this section as established by §1310.2 of this part. The agency must ensure that drivers who are hired to drive vehicles used in providing transportation services after the close of the 90 day period must receive the training required under paragraphs (b) and (c) prior to transporting any child enrolled in the agency’s program. The agency must further ensure that at least annually after receiving the training required under paragraphs (b) and (c), all drivers who drive vehicles used to provide such services receive the training required under paragraph (d) of this section.

(b) Drivers must receive a combination of classroom instruction and behind-the-wheel instruction sufficient to enable each driver to:

(1) operate the vehicle in a safe and efficient manner;

(2) safely run a fixed route, including loading and unloading children, stopping at railroad crossings and performing other specialized driving maneuvers;

(3) administer basic first aid in case of injury;

(4) handle emergency situations, including vehicle evacuation procedures;

(5) operate any special equipment, such as wheelchair lifts, assistance devices or special occupant restraints;

(6) conduct routine maintenance and safety checks of the vehicle; and

(7) maintain accurate records as necessary.

(c) Drivers must also receive instruction on the topics listed in 45 CFR
