Maritime Administration, DOT § 308.546

Maritime Administrator will give consideration to requests for proportionate returns of premium. An application for the return of a premium must be submitted to the Underwriting Agent in quadruplicate on Form MA–317, prescribed in §308.547.

§ 308.541 Issuance.

(a) Binder. The Underwriting Agent is authorized to issue a facultative policy in Form MA–316, prescribed in §308.545, when there has been presented to him a properly prepared binder on Form MA–315, prescribed in §308.544, together with the payment of the premium as required, and such policy shall be issued as soon as possible after the binder form has been presented to the Underwriting Agent. Prior to the issuance of the policy, the Underwriting Agent is authorized to accept the risk on behalf of the Maritime Administrator by signing the binder. The Maritime Administrator will provide each Underwriting Agent with a supply of facultative policies which shall not be valid until countersigned by the Underwriting Agent. The Underwriting Agent shall keep a permanent record of all such policies and the Assured to whom the policy is issued.

(b) Numbering. Each Facultative Cargo Policy supplied to the Underwriting Agent by the Maritime Administrator shall be numbered by MARAD before it is supplied to the Underwriting Agent. No two numbers shall be the same. The Underwriting Agent when issuing the policy shall add at the end of the Policy number the agency number assigned to that Underwriting Agent, and where policies are issued by more than one office of an Underwriting Agent the issuing office shall also be identified in the policy number. For example, the policies issued by an office in New York will be designated “NY” and policies issued in San Francisco will be designated by “SF” prefixed to the Underwriting Agent’s agency number.

§ 308.542 Warranty regarding thirty-day shipments.

If, after an effective binding of war risk insurance on a shipment of cargo, the assured believes that it will be impossible to comply with the warranty requiring the goods to be shipped and in transit within thirty days from the effective date of binding, such an assured may apply to the Maritime Administrator, through the Underwriting Agent, to modify the warranty. If the Maritime Administrator is satisfied that an extension of time within which the goods are warranted to be shipped and in transit should be granted, he will do so, but additional premium may be charged in the discretion of the Maritime Administrator.

§ 308.543 Cancellation.

Facultative war risk insurance is not subject to cancellation by the Assured unless the goods are not shipped within thirty (30) days following the effective date of binding, and then only if the policy is returned for cancellation.

The standard form of War Risk Facultative Cargo Binder, which may be obtained from MARAD’s underwriting agent of MARAD, shall be completed by the applicant and submitted, in duplicate, to an Underwriting Agent before the insurance can be bound.
