the eligible telecommunications carrier. Eligible telecommunications carriers must also provide their annual recertification results for subscribers residing on Tribal lands to the relevant Tribal governments.

(c) States that mandate Lifeline support may impose additional standards on eligible telecommunications carriers operating in their states to ensure compliance with state Lifeline programs.

§ 54.417 Recordkeeping requirements.

(a) Eligible telecommunications carriers must maintain records to document compliance with all Commission and state requirements governing the Lifeline and Tribal Link Up program for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request. Notwithstanding the preceding sentence, eligible telecommunications carriers must maintain the documentation required in § 54.410(d) and (f) and as long as the subscriber receives Lifeline service from that eligible telecommunications carrier.

(b) If an eligible telecommunications carrier provides Lifeline discounted wholesale services to a reseller, it must obtain a certification from that reseller that it is complying with all Commission requirements governing the Lifeline and Tribal Link Up program.

(c) Non-eligible-telecommunications-carrier resellers that purchase Lifeline discounted wholesale services to offer discounted services to low-income consumers must maintain records to document compliance with all Commission requirements governing the Lifeline and Tribal Link Up program for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request. To the extent such a reseller provides discounted services to low-income consumers, it must fulfill the obligations of an eligible telecommunications carrier in §§ 54.405 and 54.410.

§ 54.418 Digital Television Transition Notices by Eligible Telecommunications Carriers.

(a) Eligible telecommunications carriers (ETCs) that receive federal universal service funds shall provide their Lifeline or Link-Up customers with notices about the transition for over-the-air full power broadcasting from analog to digital service (the "DTV Transition") in the monthly bills or bill notices received by such customers, or as a monthly stand-alone mailer (*e.g.*, postcard, brochure), beginning April 1, 2009, and concluding on June 30, 2009.

(b) The notice must be provided as part of an information section on the bill or bill notice itself or on a secondary document mailed with the bill or bill notice, or as part of a monthly stand-alone mailer (*e.g.*, postcard, brochure) in the same language or languages as the customer's bill or bill notice. These notices must:

(1) Be in clear and conspicuous print;

(2) Convey at least the following information about the DTV transition:

(i) The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local television stations may switch sooner. After the switch, analog-only television sets that receive TV programming through an antenna will need a converter box to continue to receive over-the-air TV. Watch your local stations to find out when they will turn off their analog signal and switch to digital-only broadcasting. Analog-only TVs should continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

(ii) Information about the DTV transition is available from your local television stations, *http://www.DTV.gov*, or 1–888–CALL–FCC (TTY 1–888–TELL–FCC), and from *http://www.dtv2009.gov* or 1–888–DTV–2009 (TTY 1–877–530–2634) for information about subsidized coupons for digital-to-analog converter boxes;

(c) If an ETC's Lifeline or Link-Up customer does not receive paper versions of either a bill or a notice of billing, then that customer must be
