§ 64.2345  
providing that subscriber list information which are not set forth in a written contract.

(c) Except to the extent specified in paragraph (d), a carrier shall make the contracts and records described in paragraphs (a) and (b) available, upon request, to the Commission and to any directory publisher that requests those contracts and records for the purpose of publishing a directory.

(d) A carrier need not disclose to a directory publisher pursuant to paragraph (c) portions of requested contracts that are wholly unrelated to the rates, terms, or conditions under which the carrier provides subscriber list information to itself, an affiliate, or an entity that publishes directories on the carrier’s behalf.

(e) A carrier may subject its disclosure of subscriber list information contracts or records to a directory publisher pursuant to paragraph (c) to a confidentiality agreement that limits access to and use of the information to the purpose of determining the rates, terms, and conditions under which the carrier provides subscriber list information to itself, an affiliate, or an entity that publishes directories on the carrier’s behalf.

§ 64.2345  
Primary advertising classification.

A primary advertising classification is assigned at the time of the establishment of telephone exchange service if the carrier that provides telephone exchange service assigns the classification or if a tariff or State requirement obligates the carrier to provide yellow pages listings as part of telephone exchange service to businesses.

Subpart Y—Truth-in-Billing Requirements for Common Carriers; Billing for Unauthorized Charges

SOURCE: 64 FR 34497, June 25, 1999, unless otherwise noted.

§ 64.2400  
Purpose and scope.

(a) The purpose of these rules is to reduce slamming and other telecommunications fraud by setting standards for bills for telecommunications service. These rules are also intended to aid customers in understanding their telecommunications bills, and to provide them with the tools they need to make informed choices in the market for telecommunications service.

(b) These rules shall apply to all telecommunications common carriers and to all bills containing charges for intrastate or interstate services, except as follows:

1. Sections 64.2401(a)(2), 64.2401(a)(3), 64.2401(c), and 64.2401(f) shall not apply to providers of Commercial Mobile Radio Service as defined in §20.9 of this chapter, or to other providers of mobile service as defined in §20.7 of this chapter, unless the Commission determines otherwise in a further rulemaking.

2. Sections 64.2401(a)(3) and 64.2401(f) shall not apply to bills containing charges only for intrastate services.

(c) Preemptive effect of rules. The requirements contained in this subpart are not intended to preempt the adoption or enforcement of consistent truth-in-billing requirements by the states.

§ 64.2401  
Truth-in-Billing Requirements.

(a) Bill organization. Telephone bills shall be clearly organized, and must comply with the following requirements:

1. The name of the service provider associated with each charge must be clearly and conspicuously identified on the telephone bill.

2. Where charges for two or more carriers appear on the same telephone bill, the charges must be separated by service provider.

3. Carriers that place on their telephone bills charges from third parties for non-telecommunications services must place those charges in a distinct section of the bill separate from all
