§ 76.403 Cable television system reports.

The operator of every operational cable television system that serves 20,000 or more subscribers shall file with the Commission a Form 325 soliciting general information and frequency and signal distribution information on a Physical System Identification Number (“PSID”) basis. These forms shall be completed and filed with (returned to) the Commission within 60 days after the Commission notifies the operator that the form is due.

NOTE: The Commission retains its authority to require Form 325 to be filed by a sampling of cable operators with less than 20,000 subscribers.

Subpart J—Ownership of Cable Systems

§ 76.501 Cross-ownership.

(a)–(c) [Reserved]

(d) No cable operator shall offer satellite master antenna television service (“SMATV”), as that service is defined in §76.5(a)(2), separate and apart from any franchised cable service in any portion of the franchise area served by that cable operator’s cable system, either directly or indirectly through an affiliate owned, operated, controlled, or under common control with the cable operator.

(e)(1) A cable operator may directly or indirectly, through an affiliate owned, operated, controlled by, or under common control with the cable operator, offer SMATV service within its franchise area if the cable operator’s SMATV system was owned, operated, controlled by or under common control with the cable operator as of October 5, 1992.

(2) A cable operator may directly or indirectly, through an affiliate owned, operated, controlled by, or under common control with the cable operator, offer service within its franchise area through SMATV facilities, provided such service is offered in accordance with the terms and conditions of a cable franchise agreement.
