15.606 Agency procedures.

(a) Agencies shall establish procedures for controlling the receipt, evaluation, and timely disposition of unsolicited proposals consistent with the requirements of this subpart. The procedures shall include controls on the reproduction and disposition of proposal material, particularly data identified by the offeror as subject to duplication, use, or disclosure restrictions.

(b) Agencies shall establish agency points of contact (see 15.604) to coordinate the receipt and handling of unsolicited proposals.

15.606–1 Receipt and initial review.

(a) Before initiating a comprehensive evaluation, the agency contact point shall determine if the proposal—

(1) Is a valid unsolicited proposal, meeting the requirements of 15.603(c);

(2) Is suitable for submission in response to an existing agency requirement (see 15.602);

(3) Is related to the agency mission;

(4) Contains sufficient technical information and cost-related or price-related information for evaluation;

(5) Has overall scientific, technical, or socioeconomic merit;

(6) Has been approved by a responsible official or other representative authorized to obligate the offeror contractually; and

(7) Complies with the marking requirements of 15.609.

(b) If the proposal meets these requirements, the contact point shall promptly acknowledge receipt and process the proposal.

(c) If a proposal is rejected because the proposal does not meet the requirements of paragraph (a) of this subsection, the agency contact point shall promptly inform the offeror of the reasons for rejection in writing and of the proposed disposition of the unsolicited proposal.

15.606–2 Evaluation.

(a) Comprehensive evaluations shall be coordinated by the agency contact point, who shall attach or imprint on each unsolicited proposal, circulated for evaluation, the legend required by 15.609(d). When performing a comprehensive evaluation of an unsolicited proposal, evaluators shall consider the following factors, in addition to any others appropriate for the particular proposal:

(2) Overall scientific, technical, or socioeconomic merits of the proposal;

(3) Potential contribution of the effort to the agency’s specific mission;

(4) The offeror’s capabilities, related experience, facilities, techniques, or unique combinations of these that are integral factors for achieving the proposal objectives;

(5) The qualifications, capabilities, and experience of the proposed principal investigator, team leader, or key personnel critical to achieving the proposal objectives; and

(6) The realism of the proposed cost.

(b) The evaluators shall notify the agency point of contact of their recommendations when the evaluation is completed.

15.607 Criteria for acceptance and negotiation of an unsolicited proposal.

(2) Closely resembles a pending competitive acquisition requirement;

(3) Does not relate to the activity’s competitive acquisition requirement;

(4) Does not demonstrate an innovative and unique method, approach, or concept, or is otherwise not deemed a meritorious proposal.
