for a wage determination for additional places of performance does not preclude the offeror’s competing for the proposed acquisition.

(d) If the contracting officer receives any timely requests for wage determinations for additional places of performance the contracting officer shall—

(1) Obtain wage determinations for the additional places of performance; and

(2) Amend the solicitation to include all wage determinations and, if necessary, extend the time for submission of final offers.

(e) If the successful offeror did not make a timely request for a wage determination and will perform in a place of performance for which the contracting officer therefore did not request a wage determination, the contracting officer shall—

(1) Award the contract;

(2) Obtain a wage determination; and

(3) Incorporate the wage determination in the contract, retroactive to the date of contract award and with no adjustment in contract price, pursuant to the clause at 52.222–49, Service Contract Labor Standards-Place of Performance Unknown.

22.1012 Applicability of revisions to wage determinations.

[71 FR 36934, June 28, 2006]

22.1012–1 Prevailing wage determinations.

(a)(1) The Wage and Hour Administrator may issue revisions to prevailing wage determinations periodically. The need for inclusion of a revised prevailing wage determination in a solicitation, contract or contract modification (see 22.1007) is determined by the date of receipt of the revised prevailing wage determination by the contracting agency. (Note the distinction between receipt by the agency and receipt by the contracting officer which may occur later.)

(i) For purposes of using WDOL, the time of receipt by the contracting agency shall be the first day of publication of the revised prevailing wage determination on the website.

(ii) For purposes of using the e98 process, the time of receipt by the contracting agency shall be the date the agency receives actual notice of a new or revised prevailing wage determination from the Department of Labor as an e98 response.

(2) In selecting a prevailing wage determination from the WDOL website for use in a solicitation or other contract action, the contracting officer shall monitor the WDOL website to determine whether the applicable wage determination has been revised. Revisions published on the WDOL website...
or otherwise communicated to the contracting officer within the timeframes prescribed at 22.1012-1(b) and (c) are effective and must be included in the resulting contract. Monitoring can be accomplished by use of the WDOL website’s “Alert Service”.

(b) The following shall apply when contracting by sealed bidding: a revised prevailing wage determination shall not be effective if it is received by the contracting agency less than 10 days before the opening of bids, and the contracting officer finds that there is not reasonable time to incorporate the revision in the solicitation.

(c) For contractual actions other than sealed bidding, a revised prevailing wage determination received by the contracting agency after award of a new contract or a modification as specified in 22.1007(b) shall not be effective provided that the start of performance is within 30 days of the award or the specified modification. If the contract does not specify a start of performance date which is within 30 days of the award or the specified modification, and if contract performance does not commence within 30 days of the award or the specified modification, any notice of the terms of a new or changed collective bargaining agreement received by the agency not less than 10 days before commencement of the work shall be effective.

(d) If the contracting officer has submitted an e98 to the Department of Labor requesting a prevailing wage determination and has not received a response within 10 days, the contracting officer shall contact the Wage and Hour Division by telephone to determine when the wage determination can be expected. (The telephone number is provided on the e98 website.)

22.1012-2 Wage determinations based on collective bargaining agreements.

(a) In sealed bidding, a new or changed collective bargaining agreement shall not be effective under 41 U.S.C. 6707(c) if notice of the terms of the new or changed collective bargaining agreement less than 10 days before bid opening and the contracting officer determines that there is not reasonable time to incorporate the new or changed terms of the collective bargaining agreement in the solicitation.

(b) For contractual actions other than sealed bidding, a new or changed collective bargaining agreement shall not be effective under 41 U.S.C. 6707(c) if notice of the terms of the new or changed collective bargaining agreement is received by the contracting agency after award of a successor contract or a modification as specified in 22.1007(b), provided that the contract start of performance is within 30 days of the award of the contract or of the specified modification. If the contract does not specify a start of performance date which is within 30 days of the award of the contract or of the specified modification, any notice of the terms of a new or changed collective bargaining agreement received by the agency not less than 10 days before commencement of the work shall be effective for purposes of the successor contract under 41 U.S.C. 6707(c).

(c) The limitations in paragraphs (a) and (b) of this subsection shall apply only if timely notification required in 22.1010 has been given.

(d) If the contracting officer has submitted an e98 to Department of Labor requesting a wage determination based on a collective bargaining agreement and has not received a response from the Department of Labor within 10 days, the contracting officer shall contact the Wage and Hour Division by telephone to determine when the wage determination can be expected. (The telephone number is provided on the e98 website.) If the Department of Labor is unable to provide the wage determination by the latest date needed to maintain the acquisition schedule, the contracting officer shall incorporate the collective bargaining agreement itself in a solicitation or other contract action (e.g., exercise of option) and include a wage determination referencing that collective bargaining agreement created by use of the WDOL website (see 22.1008-2(d)(2)).
