52.236–23 Responsibility of the Architect-Engineer Contractor.

As prescribed in 36.609–2(b), insert the following clause:

**Responsibility of the Architect-Engineer Contractor (APR 1984)**

(a) The Contractor shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Contractor under this contract. The Contractor shall, without additional compensation, correct or revise any errors or deficiencies in its designs, drawings, specifications, and other services.

(b) Neither the Government’s review, approval or acceptance of, nor payment for, the services required under this contract shall be construed to operate as a waiver of any rights under this contract or of any cause of action arising out of the performance of this contract, and the Contractor shall be and remain liable to the Government in accordance with applicable law for all damages to the Government caused by the Contractor’s negligent performance of any of the services furnished under this contract.

(c) The rights and remedies of the Government provided for under this contract are in addition to any other rights and remedies provided by law.

(d) If the Contractor is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

(End of clause)

52.236–24 Work Oversight in Architect-Engineer Contracts.

As prescribed in 36.609–3, insert the following clause:

**Work Oversight in Architect-Engineer Contracts (APR 1984)**

The extent and character of the work to be done by the Contractor shall be subject to the general oversight, supervision, direction, control, and approval of the Contracting Officer.

(End of clause)

52.236–25 Requirements for Registration of Designers.

As prescribed in 36.609–4, insert the following clause:

**Requirements for Registration of Designers (JUN 2003)**

Architects or engineers registered to practice in the particular professional field involved in a State, the District of Columbia, or an outlying area of the United States shall prepare or review and approve the design of architectural, structural, mechanical, electrical, civil, or other engineering features of the work.

(End of clause)

52.236–26 Preconstruction Conference.

As prescribed in 36.522, insert the following clause:

**Preconstruction Conference (FEB 1995)**

If the Contracting Officer decides to conduct a preconstruction conference, the successful offeror will be notified and will be required to attend. The Contracting Officer’s notification will include specific details regarding the date, time, and location of the conference, any need for attendance by subcontractors, and information regarding the items to be discussed.

(End of clause)

52.236–27 Site Visit (Construction).

As prescribed in 36.523, insert a provision substantially the same as the following:

**Site Visit (Construction) (FEB 1995)**

(a) The clauses at 52.236–2, Differing Site Conditions, and 52.236–3, Site Investigation and Conditions Affecting the Work, will be included in any contract awarded as a result of this solicitation. Accordingly, offerors or quoters are urged and expected to inspect the site where the work will be performed.

(b) Site visits may be arranged during normal duty hours by contacting:
