Defense Acquisition Regulations System, DoD 210.001

software integration or the development of a proprietary software system architecture; and
(c) The performance by, or assistance of, contractors in technical evaluation.

[75 FR 81913, Dec. 29, 2010]

209.571–7 Systems engineering and technical assistance contracts.

(a) Agencies shall obtain advice on systems architecture and systems engineering matters with respect to major defense acquisition programs or pre-major defense acquisition programs from Federally Funded Research and Development Centers or other sources independent of the major defense acquisition program contractor.

(b) Limitation on Future Contracting.
(1) Except as provided in paragraph (c) of this subsection, a contract for the performance of systems engineering and technical assistance for a major defense acquisition program or a pre-major defense acquisition program shall prohibit the contractor or any affiliate of the contractor from participating as a contractor or major subcontractor in the development or production of a weapon system under such program.

(2) The requirement in paragraph (b)(1) of this subsection cannot be waived.

(c) Exception. (1) The requirement in paragraph (b)(1) of this subsection does not apply if the head of the contracting activity determines that—

(i) An exception is necessary because DoD needs the domain experience and expertise of the highly qualified, apparently successful offeror; and

(ii) Based on the agreed-to resolution strategy, the apparently successful offeror will be able to provide objective and unbiased advice, as required by 209.571–3(a), without a limitation on future participation in development and production.

(2) The authority to make this determination cannot be delegated.

[75 FR 81913, Dec. 29, 2010]

209.571–8 Solicitation provision and contract clause.

(a) Use the provision at 252.209–7008, Notice of Prohibition Relating to Organizational Conflict of Interest—Major Defense Acquisition Program, if the solicitation includes the clause at 252.209–7009, Organizational Conflict of Interest—Major Defense Acquisition Program; and

(b) Use the clause at 252.209–7009, Organizational Conflict of Interest—Major Defense Acquisition Program, in solicitations and contracts for systems engineering and technical assistance for major defense acquisition programs or pre-major defense acquisition programs.

PART 210—MARKET RESEARCH

Sec. 210.001 Policy.
210.002 Procedures.

SOURCE: 71 FR 53043, Sept. 8, 2006, unless otherwise noted.

210.001 Policy.

(a) In addition to the requirements of FAR 10.001(a), agencies shall—

(i) Conduct market research appropriate to the circumstances before—

(A) Soliciting offers for acquisitions that could lead to a consolidation of contract requirements as defined in 207.170–2; or

(B) Issuing a solicitation with tiered evaluation of offers (Section 816 of Public Law 109–163); and

(ii) Use the results of market research to determine—

(A) Whether consolidation of contract requirements is necessary and justified in accordance with §207.170–3; or

(B) Whether the criteria in FAR part 19 are met for setting aside the acquisition for small business or, for a task or delivery order, whether there are a sufficient number of qualified small business concerns available to justify limiting competition under the terms of the contract. If the contracting officer cannot determine whether the criteria are met, the contracting officer shall include a written explanation in the contract file as to why such a determination could not be made (Section 816 of Public Law 109–163).
