Defense Acquisition Regulations System, DoD 211.274–6

(B) The head of the contracting activity for all other programs.

(ii) The DoD Unique Identification Policy Office must receive a copy of the determination and findings required by paragraph (b)(2)(i) of this subsection. Follow the procedures at PGI 211.274–2.

211.274–3 Policy for valuation.

(a) It is DoD policy that contractors shall be required to identify the Government’s unit acquisition cost for all deliverable end items to which item unique identification applies.

(b) The Government’s unit acquisition cost is—

(1) For fixed-price type line, subline, or exhibit line items, the unit price identified in the contract at the time of delivery;

(2) For cost-type or undefinitized line, subline, or exhibit line items, the contractor’s estimated fully burdened unit cost to the Government at the time of delivery; and

(3) For items delivered under a time-and-materials contract, the contractor’s estimated fully burdened unit cost to the Government at the time of delivery.

(c) The Government’s unit acquisition cost of subassemblies, components, and parts embedded in delivered items shall not be separately identified.

211.274–4 Policy for reporting of Government-furnished property.

(a) It is DoD policy that all Government-furnished property be recorded in the DoD Item Unique Identification (IUID) Registry, as defined in the clause at 252.211–7007, Reporting of Government-Furnished Property.

(b) The following items are not required to be reported:

(1) Contractor-acquired property, as defined in FAR part 45.

(2) Property under any statutory leasing authority.

(3) Property to which the Government has acquired a lien or title solely because of partial, advance, progress, or performance-based payments.

(4) Intellectual property or software.

(5) Real property.

(6) Property released as work in process.

(7) Non-serial managed items (reporting is limited to receipt transactions only).

[77 FR 52257, Aug. 29, 2012]

211.274–5 Policy for assignment of Government-assigned serial numbers.

It is DoD policy that contractors apply Government-assigned serial numbers, such as tail numbers/hull numbers and equipment registration numbers, in human-readable format on major end items when required by law, regulation, or military operational necessity. The latest version of MIL-STD–130, Marking of U.S. Military Property, shall be used for the marking of human-readable information.
