Subpart 246.4—Government Contract Quality Assurance

246.401 General.

The requirement for a quality assurance surveillance plan shall be addressed and documented in the contract file for each contract except for those awarded using simplified acquisition procedures. For contracts for services, the contracting officer should prepare a quality assurance surveillance plan to facilitate assessment of contractor performance, see 237.172. For contracts for supplies, the contracting officer should address the need for a quality assurance surveillance plan.

[75 FR 22706, Apr. 30, 2010]

246.402 Government contract quality assurance at source.

Do not require Government contract quality assurance at source for contracts or delivery orders valued at or below the simplified acquisition threshold unless the criteria at 246.402 have been met.
