As prescribed in 745.106(a), the following clause shall be included in all contracts, where the contractor will acquire property under the contract for use overseas and the contract funds were obligated under a Strategic Objective agreement (or similar agreement) with the cooperating country.

Property to and Care of Property (Apr 1984)

(a) Title to all non-expendable property purchased with contract funds under this contract and used in the Cooperating Country, shall at all times be in the name of the Cooperating Government, or such public or private agency as the Cooperating Government may designate, unless title to specified types or classes of non-expendable property is reserved to USAID under provisions set forth in the schedule of this contract; but all such property shall be under the custody and control of Contractor until the owner of title directs otherwise, or completion of work under this contract or its termination, at which time custody and control shall be turned over to the owner of title or disposed of in accordance with its instructions. All performance guarantees and warranties obtained from suppliers shall be taken in the name of the title owner. (Non-expendable property is property which is complete in itself, does not lose its identity or become a component part of another article when put into use; is durable, with an expected service life of two years or more; and which has a unit cost of $500 of more.)

(b) Contractor shall prepare and establish a program, to be approved by the Mission, for the receipt, use, maintenance, protection, custody, and care of non-expendable property for which it has custodial responsibility, including the establishment of reasonable controls to enforce such program.

(c)(1) For non-expendable property to which title is reserved to the U.S. Government under provisions set forth in the schedule of this contract, Contractor shall submit an annual report on all non-expendable property under its custody as required in the clause of this contract entitled “Government Property”.

(2) For non-expendable property titled to the Cooperating Government, Contractor shall, within 90 days after completion of this contract, or at such other date as may be fixed by the Contracting Officer, submit an inventory schedule covering all items of non-expendable property under its custody, which have not been consumed in the performance of this contract. The Contractor shall also indicate what disposition has been made of such property.

752.247–70 Preference for privately owned U.S.-flag commercial vessels.

As prescribed in 747.507, insert the following clause:

Preference for Privately Owned U.S.-Flag Commercial Vessels (Oct 1996)

(a) Under the provisions of the Cargo Preference Act of 1954 (46 U.S.C. 1241(b)) at least 50 percent of the gross tonnage of equipment, materials, or commodities financed by USAID, or furnished without provision for reimbursement, or at least 75 percent of the gross tonnage of cargo moving under P.L. 480 financed by the U.S. Department of Agriculture, that may be transported in ocean vessels (computed separately for dry bulk carriers, dry cargo liners, and tankers) shall be transported in privately owned U.S.-flag commercial vessels.

(b) In accordance with USAID regulations and consistent with the regulations of the Maritime Administration, USAID applies Cargo Preference requirements on the basis of programs or activities that generally include more than one contract. Thus, the amount of cargo fixed on privately owned U.S.-flag vessels under this contract may be more or less than the required 50 or 75 percent, depending on current compliance with Cargo Preference requirements. If freight under the contract is fixed on a U.S. flag vessel, Alternate I of this clause shall apply.

(c)(1) The contractor shall submit one legible copy of a rated on-board ocean bill of lading for each shipment to both the Division of National Cargo, Office of Cargo Preference, Maritime Administration, U.S. Department of Transportation, Washington, DC.
The contractor shall furnish these bill of lading copies within 20 working days of the date of loading for shipments originating in the United States, or within 30 working days for shipments originating outside the United States. Each bill of lading copy shall contain the following information:

(i) Sponsoring U.S. Government agency.
(ii) Name of vessel.
(iii) Vessel flag registry.
(iv) Date of loading.
(v) Port of loading.
(vi) Port of final discharge.
(vii) Description of commodity.
(viii) Gross weight in pounds and cubic feet if available.
(ix) Total ocean freight revenue in U.S. dollars.

Alternate 1

d) If freight is fixed on a U.S. flag vessel, except as provided in paragraph (e) of this clause, the contractor shall use privately owned U.S. flag commercial vessels, and no others, in the ocean transportation of any supplies to be furnished under this contract.

(1) All individuals to be sent outside the United States, or (2) any employees designated as “key personnel”. Biographical data in the form usually maintained by the Contractor on the other individuals employed under the contract shall be available for review by USAID at the Contractor’s headquarters.
