SMALL DISADVANTAGED BUSINESS PARTICIPATION PROGRAM (OCT 2000)

(a) Section M of this solicitation contains a source selection factor or subfactor related to the participation of small disadvantaged business (SDB) concerns in the performance of the contract. The nature of the evaluation of an SDB offeror under this evaluation factor or subfactor is dependent upon whether the SDB concern qualifies for the price evaluation adjustment under the clause at FAR 52.219–23, Notice of Price Evaluation Adjustment for Small Disadvantaged Business Concerns, and whether the SDB concern specifically waives this price evaluation adjustment.

1. The extent of participation of SDB concerns in the performance of the contract in terms of the value of the total acquisition. Specifically, offerors must provide targets, expressed as dollars and percentages of the total contract value, for SDB participation in the applicable and authorized North American Industry Classification System (NAICS) Industry Subsectors as determined by the Department of Commerce. Total dollar and percentage targets must be provided for SDB participation by the prime contractor, including team members and joint venture partners. In addition, total dollar and percentage targets for SDB participation by subcontractors must be provided and listed separately;

2. The specific identification of SDB concerns to be involved in the performance of the contract;

3. The extent of commitment to use SDB concerns in the performance of the contract;

4. The complexity and variety of the work the SDB concerns are to perform; and

5. The realism of the proposal to use SDB concerns in the performance of the contract.

(c) An SDB offeror who waives the price evaluation adjustment provided in FAR 52.219–23 shall provide, with their offer, targets, expressed as dollars and percentages of the total contract value, for the work that it intends to perform as the prime contractor in the applicable and authorized NAICS Industry Subsectors as determined by the Department of Commerce. All of the offeror’s identified targets described in paragraphs (b) and (c) of this clause will be incorporated into and made part of any resulting contract.
