Environmental Protection Agency

1552.223–70 Protection of human subjects.

As prescribed in 1523.303–70, insert the following contract clause when the contract involves human test subjects.

PROTECTION OF HUMAN SUBJECTS (APR 1984)

(a) The Contractor shall protect the rights and welfare of human subjects in accordance with the procedures specified in its current Institutional Assurance on file with the Agency. The Contractor shall certify at least annually that an appropriate institutional committee has reviewed and approved the procedures which involve human subjects in accordance with the applicable Institutional Assurance accepted by the Agency.

(b) The Contractor shall bear full responsibility for the proper and safe performance of all work and services involving the use of human subjects under this contract.

(End of provision)

[55 FR 58928, Oct. 3, 2000]

1552.223–71 EPA Green Meetings and Conferences.

As prescribed in 1523.703–1, insert the following provision or language substantially the same as the provision in solicitations for meetings and conference services.

EPA GREEN MEETINGS AND CONFERENCES (MAY 2007)

(a) The mission of the EPA is to protect human health and the environment. We expect that all Agency meetings and conferences will be staged using as many environmentally preferable measures as possible. Environmentally preferable means products or services that have a lesser or reduced effect on the environment when compared with competing products or services that serve the same purpose.

(b) As a potential meeting or conference provider for EPA, we require information about environmentally preferable features and practices your facility will have in place for the EPA event described in the solicitation.

(c) The following list is provided to assist you in identifying environmentally preferable measures and practices used by your facility. More information about EPA’s Green Meetings initiative may be found on the Internet at http://www.epa.gov/oppt/greenmeetings/. Information about EPA voluntary partnerships may be found at http://www.epa.gov/partners/index.htm.

(1) Do you have a recycling program? If so, please describe.

(2) Do you have a linen/towel reuse option that is communicated to guests?

(3) Do guests have easy access to public transportation or shuttle services at your facility?

(4) Are lights and air conditioning turned off when rooms are not in use? If so, how do you ensure this?

(5) Do you provide bulk dispensers or reusable containers for beverages, food and condiments?

(End of clause)
