(b) Reports of reportable items, and disclosure of subject inventions, interim reports, final reports, utilization reports, and other reports required by the clause, as well as any correspondence with respect to such matters, should be directed to the New Technology Representative unless transmitted in response to correspondence or request from the Patent Representative. Inquiries or requests regarding disposition of rights, election of rights, or related matters should be directed to the Patent Representative. This clause shall be included in any subcontract hereunder requiring a “New Technology” clause or “Patent Rights—Retention by the Contractor (Short Form)” clause, unless otherwise agreed to or directed by the Contracting Officer. The respective responsibilities and authorities of the above-named representatives are set forth in 1827.305–370 of the NASA FAR Supplement.

(End of clause)

The contracting officer shall insert the following provision as prescribed in 1827.303–70(c):

PATENT RIGHTS CLAUSES (DEC 1989)

This solicitation contains the patent rights clauses of FAR 52.227–11 (as modified by the NFS) and NFS 1852.227–70. If the contract resulting from this solicitation is awarded to a small business or nonprofit organization, the clause at NFS 1852.227–70 shall not apply. If the award is to other than a small business or nonprofit organization, the clause at FAR 52.227–11 shall not apply.

(End of provision)

1852.227–85 Invention reporting and rights—Foreign.

As prescribed in 1827.303–70(f), insert the following clause:

INVENTION REPORTING AND RIGHTS—FOREIGN (APR 1986)

(a) As used in this clause, the term “invention” means any invention, discovery or improvement, and “made” means the conception or first actual demonstration that the invention is useful and operable.

(b) The Contractor shall report promptly to the Contracting Officer each invention made in the performance of work under this contract. The report of each such invention shall:

(1) Identify the inventor(s) by full name; and

(2) Include such full and complete technical information concerning the invention as is necessary to enable an understanding of the nature and operation thereof.

(c) The Contractor hereby grants to the Government of the United States of America as represented by the Administrator of the National Aeronautics and Space Administration the full right, title and interest in and to each such invention throughout the world, except for the State in which this contract is to be performed. As to each such State, Contractor hereby grants to the Government of the United States of America as represented by the Administrator of the National Aeronautics and Space Administration only an irrevocable, nontransferable, nonexclusive, royalty-free license to practice each such invention by or on behalf of the United States of America or any foreign government pursuant to any treaty or agreement with the United States of America, provided that Contractor within a reasonable time files a patent application in that State.
