(b) When approval of costs for membership in an organization is required, the contractor must demonstrate conclusively that membership in such an organization and participation in its activities extend beyond the contractual relationship with OPM, have a reasonable relationship to providing services to FEGLI Program insureds, and that the organization is not engaged in activities such as those cited in FAR 31.205–22 (lobbying costs) for which costs are not allowable.

2131.205–70 Major subcontract service charge.
In a subcontract for enrollment and eligibility determinations, administration of claims and payment of benefits and any other subcontract for which prior approval is necessary, when costs are determined on the basis of actual costs incurred, any amount that exceeds the allowable cost of a major subcontract (whether entitled service charge, incentive fee, profit, fee, surplus, or any other title) is not allowable under the contract. Amounts which exceed allowable costs may be paid to a major subcontractor only from the risk charge or service charge negotiated between OPM and the contractor.

A charge of $500 per policy year per reinsurer of the FEGLI Program as set forth in the contract is an allowable cost when documented through an internal accounting entry of the contractor and actually paid.
