(a) This section applies to any private entity operating OTRBs that takes one of the following actions:
   (1) On or after the date on which this subpart applies to the entity, it remanufactures an OTRB so as to extend its useful life for five years or more or makes a solicitation for such remanufacturing; or
   (2) Purchases or leases an OTRB which has been remanufactured so as to extend its useful life for five years by a small operator who is providing equivalent service to its fixed-route service as provided in §37.183(b)(2).
