Subpart B—Classification/ Declassification of Information

§ 8.9 Information Security Review Committee.

(a) There is hereby established a Department of Transportation Information Security Review Committee, which will have authority to:

(1) Act on all suggestions and complaints not otherwise resolved with respect to the Department’s administration of Executive Order 12958 and implementing directives, including those regarding overclassification, failure to declassify, or delay in declassifying;

(2) Act on appeals of requests for classification reviews, and appeals of requests for records under 5 U.S.C. 552 (Freedom of Information Act) when the initial, and proposed final, denials are based on continued classification of the record; and

(3) Recommend to the Secretary, when necessary, appropriate administrative action to correct abuse or violation of any provision of Executive Order 12598 and implementing directives.

(b) The Information Security Review Committee will be composed of the Assistant Secretary for Administration, who will serve as Chair; the General Counsel; and the Director of Security and Administrative Management. When matters affecting a particular Departmental agency are at issue, the Associate Administrator for Administration for that agency, or the Chief of Staff for the U.S. Coast Guard, as the case may be, will participate as an ad hoc member, together with the General Counsel of that agency. Any regular member may designate a representative with full power to serve in his/her place.

(c) In carrying out its responsibilities to review decisions to revoke or not to issue clearances, or to deny access to classified information, the Committee will establish whatever procedures it deems fit.

§ 8.11 Authority to classify information.

(a) Executive Order 12958 confers upon the Secretary of Transportation the authority to originally classify information as SECRET or CONFIDENTIAL with further authorization to delegate this authority.

(b) The following delegations of authority originally to classify information as “Secret” or “Confidential”, which may not be redelegated, are hereby made:

(1) Office of the Secretary of Transportation. The Deputy Secretary; Assistant Secretary for Administration; Director of Intelligence and Security; Director of Security and Administrative Management.

(2) Federal Aviation Administration. Administrator; Assistant Administrator for Security and Hazardous Materials.

(3) Maritime Administration. Administrator.

(c) Although the delegations of authority set out in paragraph (b) of this section are expressed in terms of positions, the authority is personal and is invested only in the individual occupying the position. The authority may not be exercised “by direction of” a designated official. The formal appointment or assignment of an individual to one of the identified positions or a designation in writing to act in the absence of one of these officials, however, conveys the authority originally to classify information as “SECRET”.

(d) Previous delegations and redelegations of authority within the Department of Transportation originally to classify information are hereby rescinded.

§ 8.13 Authority to downgrade or declassify.

Information originally classified by the Department may be specifically downgraded or declassified by either the official authorizing the original classification, if that official is still serving in the same position, the originator’s current successor in function, a supervisory official of either, officials delegated declassification authority in writing by the Secretary, or by the Departmental Information Security Review Committee.
