§ 831.645

upon annulment of the remarriage unless—

(i) The decree of annulment states that the marriage is without legal effect retroactively from the marriage’s inception; and

(ii) The former spouse’s entitlement is based on section 4(b)(1)(B) or section 4(b)(4) of Pub. L. 98–615.

(3) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

§ 831.645 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under § 831.644 unless—

(1) The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(b) A current spouse is entitled to a current spouse annuity based on an election under § 831.631 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under § 831.632, or § 831.682, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(d) As used in this section, “any other retirement system for Government employees” does not include Survivor Benefit Payments from a military retirement system or social security benefits.

PAYMENT OF SURVIVOR ANNUITIES

§ 831.651 Commencing and terminating dates of survivor annuities.

(a) Except as provided in paragraph (b) of this section, current spouse annuities, former spouse annuities, children’s survivor annuities, and survivor annuities for beneficiaries of insurable interest annuities under CSRS begin to accrue on the day after death of the employee, Member, or retiree.

(b) A current spouse annuity begins to accrue—

(1) Upon attainment of age 50 when, under section 12 of the Civil Service Retirement Act Amendments of February 29, 1948, the annuity is deferred until age 50; or

(ii) Upon OPM’s receipt of a claim for an annuity authorized for unremarried widows and widowers by section 2 of the Civil Service Retirement Act Amendments of June 25, 1958, 72 Stat. 218.

(2) A former spouse annuity begins to accrue—

(i) For annuities under § 831.683, on the later of the day after date of death of the retiree or the first day of the second month after the date the application for annuity is received in OPM; or

(ii) For annuities when a former spouse annuity is authorized by court order under section 8341(h) of title 5, United States Code, on the later of the day after the date of death of the employee, Member, or retiree or the first day of the second month after the court order awarding the former spouse annuity and the supporting documentation required by § 838.721 or
§ 831.663 Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity.

(a) **Applicability of this section.** This section applies to all retirees who are required to pay deposits under §831.631 or §831.632 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) **Other methods of payment not available.** Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) **Commencing date of the reduction.** A reduction under this section commences on the same date as the annuity reduction under §831.631 or §831.632.

(d) **Computing the amount of the reduction.** The annuity reduction under this section is equal to the lesser of—

1. The amount of the deposit under §831.631 or §831.632 divided by the present value factor for the retiree’s age on the commencing date of the reduction under paragraph (c) of this section (plus any previous reduction(s) in the retiree’s annuity required under this section §831.664); or

2. Twenty-five percent of the rate of the retiree’s self-only annuity on the commencing date of the reduction under paragraph (c) of this section.

(e) **Termination of the reduction.** (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree’s annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States Code.
